1. Small Purchases

Small purchases are for goods and supplies that cost less than \$5,000. Small purchases can be paid for by a claim, purchase card or purchase order. Services are procured using a purchase order or a contract regardless of the cost of the vendor. Special commodities, as defined later in this policy, cannot be acquired through the small purchases method.

2. Requisition & Purchase Order

A requisition is an internal document used by a department seeking to procure goods, supplies and/or services costing equal to or greater than \$5,000 or is doing \$5,000 or more worth of purchases from the same vendor in a fiscal year. County of Yolo Administrative Policies and Procedures Manual

the written specifications issued by the County or the vendor offering the highest ranked proposal or qualifications, as applicable. Competitive solicitations come in two forms; informal and formal solicitations.

Informal solicitation is the process of receiving quotes by email, facsimile, paper quote or printouts. from prospective vendors. Two quotes are required for purchases in the amount of \$5,000 to \$9,999. Three quotes are required for purchases in the amount of \$10,000 or higher.

Formal solicitations include Requests for Proposals, Requests for Quotes, Requests for Qualifications, Invitation for Bids and Requests for Information. A formal document is published by the County and prospective vendors will respond to the solicitation in a manner prescribed by the County. The formal solicitation process must be conducted in a fair and objective manner.

The types of formal solicitations are as follows:

a. Request for Information

Requests for Information (RFI) are used to obtain information from potential vendors about goods, supplies and services. RFIs are commonly used to better understand the market, and/or prepare for a complex Request for Proposals. The Department generally prepares and conducts the RFI process. An RFI cannot make any award or promise of award to vendors submitting a response.

b. Invitation for Bids

Invitation for Bids (IFB) are used to procure goods, supplies and related services. An IFB is conducted by the Procurement Division and is awarded to the lowest-cost bidder.

c. Request for Quotes

Request for Quotes (RFQ) are used to procure goods, supplies and/or services. A RFQ is conducted by the Department or by Procurement Division and is generally awarded to the lowest-cost bidder. Other factors may be considered as part of the award decision, but the lowest-cost is the primary factor for consideration of the award.

d. Request for Qualifications

Request for Qualifications (RFQu) are used to procure technical special services such as architectural and engineering services. The RFQu can be used to make multiple awards to build a roster of providers. A RFQu is generally conducted by the Department that follows guidelines issued by the Procurement Division. The RFQu must be reviewed by the Procurement Division prior to its release. The proposed RFQu award must be reviewed by the Procurement Division prior to issuing a Notice of Intent to Award. The award is generally made based on the knowledge, quality and skill set of the applicant, as well as proposed cost.

County of Yolo Administrative Policies and Procedures Manual

must be reviewed by the Procurement Division prior to its release. Vendors' response to the RFP must be scored based on objective evaluation criteria. The evaluation criteria must be based on the quality of the proposal and the bid price. A review committee of no less than three people shall evaluate and score the quality of the proposal. The evaluation and scoring of the bid price is performed independently of the quality evaluation. The proposal with the lowest cost bid will generally receive the highest score for the evaluation of the bid price. The proposed RFP award must be reviewed by the Procurement Division prior to issuing a Notice of Intent to Award.

4. Contracts

A contract is a written document between parties with binding legal force, usually exchanging goods or services for money or other consideration. The term "contract" and "agreement" are synonymous. Single source procurement is when multiple vendors could supply the good or service but one vendor is selected over the others for substantial reasons. Sole source procurement is when only one vendor is can provide the good or service.

6. Cooperative Agreements

A cooperative agreement is used when two or more governmental entities pool their commodity and/or service requirements to purchase aggregated quantities of goods, supplies and/or services. The County may utilize a cooperative agreement if the competitive solicitation process that preceded the agreement is at least as restrictive as the County's process and the use of the agreement is in the County's best interest. The use of any Cooperative Agreement in lieu of a competitive bid process is subject to the Purchasing Agent's approval.

7. Piggyback Agreements

A piggyback agreement is used when a governmental entity will extend the pricing and terms of a contract to another governmental entity. The entity with the contract must have language in their contract or competitive solicitation that allows the terms of the contract to be extended to other entities. The County may piggyback or "ride" another governmental entity's contract if the contract's competitive solicitation process is at least as restrictive as the County's process and the use of the agreement is in the County's best interest. The County may allow other governmental entities to ride the County's contract if it is in the County's best interest. The use of any piggyback agreement in lieu of a competitive bid process or to allow other governmental entities to use the County's contract is subject to the Purchasing Agent's approval.
