RE: County of Yolo Five-Year Countywide Integrated Waste Management Plan Review

Dear Ms. Kose:

On behalf of the cities of Davis, West Sacramento, Winters, and Woodland and the County of Yolo, please find attached a copy of the "Five-Year CIWMP Review Report". In conformance with §41822 of the Public Resources Code (PRC), the County and cities have reviewed the Countywide Integrated Waste Management Plan (CIWMP).

The County's Local Task Force (LTF), referred to as the Waste Advisory Committee (WAC), submitted written comments to the County as specified in Section 18788 of Title 14 of the California Code of Regulations (CCR). A copy of the August 26, 2021 WAC letter is included in Appendix A of the "Five-Year CIWMP Review Report".

The County finds that a CIWMP revision is not necessary at this time. Guided by the current CIWMP, the County and the cities will continue to implement programs and strive to fulfill the goals of the Integrated Waste Management Act. In addition, the five-year CIWMP Review Report concluded the following:

1. The overall framework of the CIWMP is still applicable; and
2. The goals, objectives, policies, funding sources, and responsible administrative organizational units noted throughout the CIWMP still are accurately described.

On August 26, 2021, the WAC recommended that the Yolo County Board of Supervisors (BOS) approve the submittal of the CIWMP review report, and on November 9, 2021, the BOS authorized the submittal of the "Five-Year CIWMP Review Report" to CalRecycle.

Please contact me at (530) 666-8848 or Marissa Juhler at (530) 666-8813 you have any questions or comments.

Sincerely,

Ramin Yazdani
Division Director
