PARTICIPANT DISCLOSURE FORM

Information Sheet

SACRAMENTO EMPLOYMENT AND TRAINING AGENCY

This form must be completed by participants in a proceeding involving a license, permit, or other entitlement for use, including a subgrant or contract, pending before the Sacramento Employment and Training Agency.

Important Notice

Basic Provisions of Section 84308

- I. You are prohibited from making a campaign contribution of \$250 or more to any Sacramento Works, Inc. (Local Workforce Development Board) or Sacramento Employment and Training Agency board member or any candidate for such a position. This prohibition starts on the date you begin to actively support or oppose an application of a license, permit, or other entitlement for use pending before Sacramento Works, Inc. or the Sacramento Employment and Training Agency, and continuing until three months after a final decision is rendered on the application or proceeding by Sacramento Works, Inc. or the Sacramento Employment and Training Agency.

No Sacramento Works, Inc. or Sacramento Employment and Training Agency board member or candidate may solicit or receive a campaign contribution of \$250 or more from you and/or your agent during this period if the board member or candidate knows or has reason to know that you are a participant.

- II. The attached disclosure form must be filed if you or your agent have contributed \$250 or more to any Sacramento Works, Inc. or Sacramento Employment and Training Agency board member or candidate for the Sacramento Works, Inc. Board or the Sacramento Employment and Training Agency Governing Board during the 12 month period preceding the beginning of your active support or opposition. It will assist the board members in complying with the law.
- III. If you or your agent have made a contribution of \$250 or more to any Sacramento Works, Inc. or Sacramento Employment and Training Agency board member or candidate during the 12 months preceding the decision in the proceeding, that board member must disqualify himself or herself from the decision. However, disqualification is not required if the board member or candidate returns the campaign contribution within 30 days of learning about both the contribution and the fact that you are a participant to the proceeding.

This form should be completed and filed the first time that you lobby in person, testify in person before, or otherwise directly act to influence the vote of the members of the board of either Sacramento Works, Inc. or Sacramento Employment and Training Agency.

1. An individual or entity is a "participant" in a proceeding involving an application for a license, permit or other entitlement for use, including a subgrant or contract, if:

AND

- B. The individual or entity, directly or through an agent, does any of the following:

A proceeding involving "a license, permit or other entitlement for use" includes all business, professional, trade and land use licenses and permits and all other entitlements for use, including all entitlements for land use, all contracts (other than competitively bid, labor or personal employment) and all franchises.
3. Your "agent" is someone who represents you in connection with a proceeding involving a license, permit or other entitlement for use. If an agent is acting in his or her capacity as an employee or member of a law, architectural, engineering, consulting firm, or similar business entity or corporation, both the business entity or corporation and the individual are agents.

Instructions for Certification

1. By signing and submitting this proposal, the prospective recipient of federal assistance funds is providing the certification as set out below.
2. The certification in this clause is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later determined that the prospective recipient of federal assistance funds knowingly rendered an erroneous certification, in addition to other remedies available to the federal government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.
3. The prospective recipient of federal assistance funds shall provide immediate written notice to the person to whom this proposal is submitted if at any time the prospective recipient of federal assistance funds learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
4. The terms *covered transaction*, *debarred*, *suspended*, *ineligible*, *lower tier covered transaction*, *participant*, *person*, *primary covered transaction*, *principal*, *proposal* and *voluntarily excluded*, as used in this clause, have the meanings set out in the Definitions and Coverage sections of rules implementing Executive Order 12549. You may contact the person to which this proposal is submitted for assistance in obtaining a copy of those regulations.
5. The prospective recipient of federal assistance funds agrees by submitting this proposal that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the department or agency with which this transaction originated.
6. The prospective recipient of federal assistance funds further agrees by submitting this proposal that it will include the clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion - Lower Tier Covered Transactions", without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.
7. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the List of Parties Excluded from Procurement or Non-procurement Programs.
8. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.
9. Except for transactions authorized under paragraph 5 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is proposed for debarment under 48 CFR part 9, subpart 9.4, suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the federal government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.

**INSTRUCTIONS FOR CERTIFICATION REGARDING
DRUG-FREE WORKPLACE REQUIREMENTS**

1. By signing and/or submitting this application or subgrant agreement, the subrecipient is providing the certification required by 20 CFR §667.200(d) and 29 CFR Part 98.
2. The certification is a material representation of fact upon which reliance is placed when the Sacramento Employment and Training Agency (hereinafter referred to as the SETA) awards the subgrant. If it is later determined that the subrecipient knowingly rendered a false certification, or otherwise violates the requirements of the Drug-Free Workplace Act, the SETA, in addition to any other remedies available, may take action authorized under the Drug-Free Workplace Act.
3. Workplaces under subgrants, for subrecipients other than individuals, need not be identified on the certification. If known, they may be identified in the subgrant application. If the subrecipient does not identify the workplaces at the time of application, or upon award, if there is no application, the subrecipient must keep the identity of the workplace(s) on file in its office and make the information available for inspection. Failure to identify all known workplaces constitutes a violation of the subrecipient's drug-free workplace requirements.
4. Workplace identifications must include the actual address of buildings (or parts of buildings) or other sites where work under the subgrant takes place. Categorical descriptions may be used (e.g., all vehicles of a mass transit authority while in operation, employees in each local office, etc.).
5. If the workplace identified to the agency changes during the performance of the subgrant, the subrecipient shall inform the SETA of the change(s), if it previously identified the workplaces in question (see paragraph 3).
6. Definitions of terms in the Nonprocurement Suspension and Debarment common rule and Drug-Free Workplace common rule apply to this certification. Subrecipient's attention is called, in particular, to the following definitions from these rules:

Controlled substance means a controlled substance in Schedules I through V of the Controlled Substances Act (21 U.S.C. 812) and as further defined by regulation (21 CFR 1308.11 through 1308.15);

Conviction means a finding of guilt (including a plea of nolo contendere) or imposition of sentence, or both, by any judicial body charged with the responsibility to determine violations of the federal or state criminal drug statutes;

Criminal drug statute means a federal or non-federal criminal statute involving the manufacture, distribution, dispensing, use, or possession of any controlled substance;

Employee means the employee of a subrecipient directly engaged in the performance of work under a subgrant, including:

- (i) All *direct charge* employees;
- (ii) All *indirect charge* employees unless their impact or involvement is insignificant to the performance of the subgrant; and,
- (iii) Temporary personnel and consultants who are directly engaged in the performance of work under the subgrant and who are on the subrecipient's payroll. This definition does not include workers not on the payroll of the subrecipient (e.g., volunteers, consultants or independent contractors not on the subrecipient's payroll).
