

Yolo County Pretrial Supervision Program

A snapshot of the Active Probation Pretrial Population, as of 11/18/21, shows 213 individuals under pretrial supervision. Of those clients, 18 are enrolled in Addiction Intervention Court (AIC) and 19 are enrolled in Mental Health Court (MHC) and thus, supervised by non-pretrial officers.

The first two graphs below provide data on unique placements and average number of days on pretrial supervision, respectively. The data include all clients placed on pretrial supervision, some of which are/were enrolled in AIC and MHC. The final graph provides data related to residence of active pretrial supervision clients as of 11/18/21.
