

Yolo County American Rescue Plan Mini Grant Application

Yolo County American Rescue Plan (ARP) Mini Grants:

The purpose of the Mini Grants program is to allow for localized responses to the COVID-19 pandemic and economic recovery programs that are nimble and transformative. These grants should provide flexible sizing for programs or projects that might serve a single community and offer opportunities within each supervisorial district (“District”) that might not be feasible within the County’s existing ARP structure. *(Priority Categories: Housing and Homelessness; Food Security; Child, Youth and Family; Mental Health; and Community Parks and Facilities. Strategic Plan Implementation: Water/Wastewater Infrastructure; Broadband; Climate Action; Economic Development; and Aging Needs).*

The Mini Grant funding is an investment of \$250,000 split equally between the five Districts (\$50,000 per District). Funding requests are expected in amounts between \$1,000 and \$10,000; however, requests outside of this range will still be considered. Eligibility is based on the [Federal ARP Eligibility Requirements](#) and awards should honor the [Board’s Guiding Principles](#).

Applications will be accepted from Friday, March 4, 2022, to Tuesday, May 31, 2022, at 5:00 pm.
