RE: Letter of Support for Behavioral Health Continuum Infrastructure Program (BHCIP)

To Whom It May Concern:

This letter is intended to indicate the County of Yolo Behavioral Health Program's support of the Friends of the Mission's application for the Behavioral Health Continuum Infrastructure Program (BHCIP) funding for the development of the new Walter's House Residential Treatment Program. The new Walter's House will expand the availability of much needed, local residential treatment beds for Yolo County beneficiaries.

Yolo County Wayfarer Center doing business as Fourth and Hope ("Fourth and Hope") will be the service provider for the Walter's House Residential Treatment Program. The contract for these services between the County of Yolo and Fourth and Hope will contain the necessary requirements for providing Medi-Cal services.
