## ATTACHMENT 7 – INSURANCE REQUIREMENTS

- A. During the term of this Subaward, Subrecipient shall at all times maintain, at its expense, the following coverages and requirements. The comprehensive general liability insurance shall include broad form property damage insurance.
1. Minimum Coverages (as applicable) - Insurance coverage shall be with limits not less than the following:
    - a. Comprehensive General Liability – \$1,000,000/occurrence and \$2,000,000/aggregate
    - b. Automobile Liability – \$1,000,000/occurrence (general) and \$500,000/occurrence (property) [include coverage for Hired and Non-owned vehicles.]
    - c. Professional Liability/Malpractice/Errors and Omissions – \$1,000,000/occurrence and \$2,000,000/aggregate (If any engineer, architect, attorney, accountant, medical professional, psychologist, or other licensed professional performs work under a contract, the Subrecipient must provide this insurance. If not, then this requirement does not apply.)
    - d. Workers’ Compensation – Statutory Limits/Employers’ Liability - \$1,000,000/accident for bodily injury or disease (If no employees, this requirement automatically does not apply.)
  2. The County, its officers, agents, employees and volunteers shall be named as additional insured on all but the workers’ compensation and professional liability coverages. It shall be a requirement under this Subaward that any available insurance proceeds broader than or in excess of the specified minimum Insurance coverage requirements and/or limits shall be available to the Additional Insured. Furthermore, the requirements for coverage and limits shall be (1) the minimum coverage and limits specified in this Subaward; or (2) the broader coverage and maximum limits of coverage of any Insurance policy or proceeds available to the named Insured; whichever is greater.
    - a. The Additional Insured coverage under the Subrecipient’s policy shall be “primary and non-contributory” and will not seek contribution from the County’s insurance or self-insurance and shall be at least as broad as CG 20 01 04 13.
    - b. The limits of Insurance required in this Subaward may be satisfied by a combination of primary and umbrella or excess Insurance. Any umbrella or excess Insurance shall contain or be endorsed to contain a provision that such coverage shall also apply on a primary and non-contributory basis for the benefit of the County of Yolo (if agreed to in a written contract or agreement) before the County’s own Insurance or self-insurance shall be called upon to protect it as a named insured.
  3. Said policies shall remain in force through the life of this Subaward and, with the exception of professional liability coverage, shall be payable on a “per occurrence” basis unless the

County Risk Manager specifically consents in writing to a “claims made” basis. For all “claims made” coverage, in the event that the Subrecipient changes insurance carriers Subrecipient shall purchase “tail” coverage covering the term of this Subaward and not less than three years thereafter. Proof of such “tail” coverage shall be required at any time that the Subrecipient changes to a new carrier prior to receipt of any payments due.

4. The Subrecipient shall declare all aggregate limits on the coverage before commencing performance of this Subaward, and the County’s Risk Manager reserves the right to require higher aggregate limits to ensure that the coverage limits required for this Subaward as set forth above are available throughout the performance of this Subaward.
  5. Any deductibles or self-insured retentions must be declared to and are subject to the approval of the County Risk Manager. All self-insured retentions (SIR) must be disclosed to Risk Management for approval and shall not reduce the limits of liability. Policies containing any SIR provision shall provide or be endorsed to provide that the SIR may be satisfied either by the named Insured or Yolo County.
  6. Each insurance policy shall be endorsed to state that coverage shall not be suspended, voided, canceled by either party, reduced in coverage or in limits except after thirty (30) days' prior written notice by certified mail, return receipt requested, has been given to the Director (ten (10) days for delinquent insurance premium payments).
  7. Insurance is to be placed with insurers with a current A.M. Best's rating of no less than A:VII, unless otherwise approved by the County Risk Manager.
  8. The policies shall cover all activities of Subrecipient, its officers, employees, agents and volunteers arising out of or in connection with this Subaward.
  9. For any claims relating to this Subaward, the Subrecipient's insurance coverage shall be primary, including as respects the County, its officers, agents, employees and volunteers. Any insurance maintained by the County shall apply in excess of, and not contribute with, insurance provided by Subrecipient's liability insurance policy.
  10. The insurer shall waive all rights of subrogation against the County, its officers, employees, agents and volunteers.
- B. Prior to commencing services pursuant to this Subaward, Subrecipient shall furnish the County with original endorsements reflecting coverage required by this Subaward. The endorsements are to be signed by a person authorized by that insurer to bind coverage on its behalf. All endorsements are to be received by, and are subject to the approval of, the County Risk Manager before work commences. Upon County’s request, Subrecipient shall provide complete, certified copies of all required insurance policies, including endorsements, reflecting the coverage required by these specifications.

- C. During the term of this Subaward, Subrecipient shall furnish the County with original endorsements reflecting renewals, changes in insurance companies and any other documents reflecting the maintenance of the required coverage throughout the entire term of this Subaward. The endorsements are to be signed by a person authorized by that insurer to bind coverage on its behalf. Upon County's request, Subrecipient shall provide complete, certified copies of all required insurance policies, including endorsements reflecting the coverage required by these specifications. Yolo County reserves the right to obtain a full certified copy of any Insurance policy and endorsements. Failure to exercise this right shall not constitute a waiver of right to exercise later.
  
- D. Subrecipient agrees to include with all Subcontractors in their subcontract the same requirements and provisions of this Subaward including the indemnity and Insurance requirements to the extent they apply to the scope of the Subcontractor's work. Subcontractors hired by Subrecipient agree to be bound to Subrecipient and the County of Yolo in the same manner and to the same extent as Subrecipient is bound to the County of Yolo under the Subaward Documents. Subcontractor further agrees to include these same provisions with any Sub-subcontractor. A copy of the Owner Contract Document Indemnity and Insurance provisions will be furnished to the Subcontractor upon request. The Subrecipient shall require all Subcontractors to provide a valid certificate of insurance and the required endorsements included in the agreement prior to commencement of any work and Subrecipient will provide proof of compliance to the County of Yolo.
  
- E. Subrecipient shall maintain insurance as required by this contract to the fullest amount allowed by law and shall maintain insurance for a minimum of five years following the completion of this project. In the event Subrecipient fails to obtain or maintain completed operations coverage as required by this Subaward, the County at its sole discretion may purchase the coverage required and the cost will be paid by Subrecipient.
