

ORDINANCE NO. _____

**UNCODIFIED ORDINANCE TO ADOPT MILITARY EQUIPMENT USE
POLICY PURSUANT TO AB 481**

The Board of Supervisors of the County of Yolo ordains as follows:

SECTION 1. FINDINGS.

Governor Gavin Newsom signed AB 481 into law on September 30, 2021.

The legislative intent behind AB 481 is to increase the public transparency by which California law enforcement agencies fund, acquire, and/or use military equipment, as defined under AB 481.

AB 481 requires California law enforcement agencies to obtain approval of their applicable governing body, by adoption of a military equipment use policy, prior to taking certain actions relating to the funding, acquisition, and/or use of military equipment.

AB 481 requires California law enforcement agencies that receive approval for a military equipment use policy to submit to the applicable governing body an annual military equipment report for each type of military equipment approved by the governing body within one year of approval, and annually thereafter so long as the military equipment is available for use.

The Yolo County Sheriff's Office does not possess any equipment that was purchased from the military but is choosing to interpret AB 481 broadly in the spirit of transparency.

The Yolo County Sheriff's Office has no intent to purchase any equipment from the military in the future.

The proposed military equipment use policy is found within the Yolo County Sheriff's Office Policy Manual as Policy 709 – Military Equipment.

The Yolo County Sheriff's Office Policy 709 was published and publicly available on the Yolo County Sheriff's Office website on April 1, 2022.

The "military equipment" identified in Yolo County Sheriff's Office Policy 709 is necessary because there are no reasonable alternatives that can achieve the same objectives of officer and civilian safety.

The Yolo County Sheriff's Office Policy 709 will safeguard the public's welfare, safety, civil rights, and civil liberties.
