# Increasing Youth Engagement through Short Term Career Training

Pilot Projects: Teen Media Bus, Tiny House Build

---

## Teen Media Bus @ Winters Career Readiness Academy (Wolfskill)

- 8 week in-school and after-school combo program
- Career Readiness Skills Training
- Video Production, Audio Production, DJ Skills Training
- Student Showcase of Final Projects
- Stipends for after-school participation; program completion incentive
- Pilot Program: May/June 2022
- Shared Investment: YCOE, Probation, Winters JUSD

# Tiny House Build: Coming Soon

- Probation and YCOE working together to bring a Tiny House build program to Yolo County students.
- Curriculum and Resources Identified-  
High School Tiny Home program developed by Fresno County Office of Education and California Tiny Homes.
- Reviewing other CA high school programs that have implemented this to gather best practices, successes and learn from other's mistakes.
- Shared investment: Probation to fund tiny house materials/contract; YCOE supporting with staff time for development, oversight, coordination with school districts, student recruitment, etc.

# THANK YOU
