Re: Cacheville Service District
Conflict of Interest Status

Dear Ms. Welton:

Enclosed is the completed and signed Local Agency Biennial Report in response to your request.

This agency has reviewed its conflict of interest code exemption statement and has determined that the conditions for exemption still exist. Those conditions are listed below and they all must be met in order for an agency to be exempt:

- a. The agency does not have regulatory, quasi-regulatory, permit, licensing or planning authority or functions;
- b. The agency will not acquire real property in the future; and
- c. The annual operating budget, exclusive of salaries for the agency is less than \$150,000.00.

Very truly yours,

CACHEVILLE COMMUNITY SERVICE DISTRICT

By

SALLY WALLACE, Secretary

Enclosure
