Following discussion, it was the consensus of the Board that it is, in all likelihood, premature to begin pursuit of this funding.

Facebook Donations:

A discussion ensued regarding the Fire District availing itself to the *Facebook* venue for receiving donations. Following discussion, it was the consensus of the Board that, given the Districts status as a sub-division of County Government and the legal requirement that the Board formally accept donations, it would be appropriate for the Board to continue to accept donations on a case-by-case basis. It was mentioned that this venue for receiving donations could be referred to the Clarksburg Firefighters' Association for their consideration.

2022 Local Agency Biennial Conflict of Interest Code Review:

The Secretary presented a letter from the Yolo County Council wherein the District was requested to review its *Conflict-of-Interest Code* and make any necessary amendments. Following discussion, it was determined that, on the basis of the specified criteria, no amendment to the District's *Conflict of Interest Code* was necessary. It was moved by Commissioner Gomes and seconded by Commissioner Pylman to authorize the Vice-Chairman to respond to the County Council's letter stating that no amendment to our *Conflict-of-Interest Code* is required. The motion passed unanimously by a roll call vote.

Chief's Report:

Chief Hamblin reported that the 4th of July Parade went well, with more entries than normal. The Chief went on to relate to the Board several maintenance issues on the new Grass 40 and Engine 240. The Chief thanked Captain Hunn and Firefighter Montzingo for repairing the defective auxiliary compressor pressure switch on the on Grass 40. The Chief further reported that repairs to the water tank on Grass 240 are complete. The Chief concluded his report by delineating the various Mutual Aid responses of the past month.

Respectfully submitted,

Richard Bagby
Secretary to the Commission
