

Amendments to Yolo County Code Section 8-2.1404—Track Changes

B. *Regulatory Transition Period.* Existing Licensees in good standing are eligible for license renewal in ~~2022~~accordance with this Subsection and all other licensing requirements. Existing Licensees outside of the Capay Valley seeking non-cultivation license types shall apply for a Pre-Application Review between January 3, 2022 and January 31, 2022. In addition, Existing Licensees shall adhere to the following deadlines for submission of a complete use permit application:

By December 16, 2022

Existing Licensees located within the Capay Valley (Category 1); Existing Licensees located outside Capay Valley that are required by the CLUO to relocate (i.e., those located on residentially-zoned land) (Category 2); and Existing Licensees located outside Capay Valley that intend to seek non-cultivation license types (Category 3).

By December 16, 2023

Existing Licensees may apply for a use permit between March 1, 2022 and December 16, 2022. All Existing Licensees outside Capay Valley that do not seek additional non-cultivation license types (Category 4).

Existing Licensees that do not timely apply for a use permit shall be precluded from license renewal in ~~2023 (Category 1) or 2024 (Categories 3-4) 2023~~ and the cultivation license allocation for these licensees shall be returned to the pool of available licenses for use permit recipients. Category 2 licensees may not renew their license for 2023 or thereafter for cultivation at their current sites irrespective of whether they timely apply for a use permit in an alternative location. ~~Existing Licensees, not on residentially zoned land, that submit a timely and complete use permit application, will be eligible for license renewal for the 2023 license year.~~ Existing Licensees with a timely, complete application that is pending in the use permit process, that are not on residentially zoned land (i.e., all other than Category 2 applicants), may seek license renewal for the 2023 license year and continue to operate ~~(with a validly issued license)~~ through March 31, 2024 (Categories 1 and 3) or through March 31, 2025 (Category 4). If a use permit for an existing site is granted, the site shall be brought into compliance with the requirements and conditions of the permit within one year of approval, or the renewal of required license(s) shall be prohibited and the license allocation shall be returned to the pool of available licenses. If a use permit is denied the existing license(s) shall expire on March 31, 2024 (Categories 1 and 3) or March 31, 2025 (Category 4), renewal of the license(s) shall be prohibited, and the license allocation shall be returned to the pool of available licenses. New licensees may apply for available use permit/licenses (if any), after processing of Existing Licensees is substantially underway, on a date to be determined by the Director.

C. *Relocation.* Cannabis activities on sites that do not meet the requirements of this article must relocate and secure a Cannabis Use Permit, or cease all operations including the storage of harvested cannabis, on or prior to ~~March 31, 2024~~the deadlines set forth in Subsection B, above. ~~Existing Licensees on residentially zoned land are prohibited from operation after license expiration on March 31, 2023, and may apply to relocate.~~
