Members of the Board

From: Alexander Tengolics
Executive Director

Re: Approve the reappointment of the three representatives from agricultural and wildlife organizations to continue serving on the Yolo Habitat Conservancy Implementation Advisory Committee for an additional term of two years

Date: September 19, 2022

REQUESTED ACTION:

Approve the following reappointments to the agricultural and wildlife organization membership category on the Yolo Habitat Conservancy Implementation Advisory Committee:

- James Meyer
- Brent Campos
- Michael Perrone

BACKGROUND:

The Yolo Habitat Conservancy Board of Directors approved the Yolo HCP/NCCP Implementation Advisory Committee composition and recruitment process at the November 16, 2020 Board meeting. The appointment term is generally two years, but the initial appointment was staggered with some members appointed for two years and the others one year. After the first year, all appointments will be two-year terms. James Meyer, Brent Campos, and Michael Perrone were appointed to serve as the agricultural and wildlife organization membership category on the Yolo Habitat Conservancy Implementation Advisory Committee at the September 20, 2021, Board of Directors meeting and their initial 1-year term is set to expire on September 20, 2022. The three committee members confirmed that they would like to remain on the Implementation Advisory Committee.

Staff recommend the Board reappoint James Mayer as the agricultural representative for a two-year term and reappoint Brent Campos and Michael Perrone as the wildlife conservation organization representatives for two-year terms to allow for continuity among the group's membership.
