Background and Analysis:

This residential property, located at 1212 L Street, was developed as Water Well #13 in 1962. The lot is located in the Davis Manor #11 Subdivision and the Assessor's Parcel Number is 70-463-05. In February 2003, the well was deemed non-productive due to the quality of water not meeting the standards. The well was subsequently destroyed and abandoned by removing the pumping mechanism, perforating the casing and filling the well with neat cement. Wells have a life expectancy of approximately 35 years. This well served about 41 years.

In July 2003, the City contracted with a demolition company to remove the incidental structure housing the well, the 10,000-gallon sedimentation tank, and to disconnect the utilities. In August 2003, the demolition contractor performed the work above, cleared the lot of debris, capped the utilities, and backfilled the site with native soil.

The lot size is approximately 6,000 square feet and is designated for residential use. Utilities are available and stubbed behind the back of walk. Power and SBC telephone are on a nearby power pole located in the rear of the property. There is a city-owned oak tree at the front of the property, a large juniper tree bush, and a large tree in the back of the property.

Property is to be offered for lease or sale by following and adhering to the administrative procedure outlined in section 12.4a of the City of Davis Employee Policy Handbook. The purpose of this procedure is to implement the Sale of Surplus Real Property Policy. Per government code §54222 prior to selling any surplus property, the city must make written offer to sell or lease the property as follows:

1. A written offer to sell or lease the property for use as low and moderate income housing shall be made to the following housings sponsors that have made a request to the City of Davis for an offer to buy or lease property in the City. To the best of our knowledge, the following is a complete list of entities to which the City must make a written offer to sell or lease the property as required by California Government Code Section 54222.

2. Zoning of this property precludes the use as a park, recreational or open space purpose; therefore, no letter offering the property to recreational department or the State Resources Agency is necessary.
3. The zoning of this site also precludes the site to be used for school facility or school district open space; therefore, letter offering the site to the Davis Joint Unified School district is not necessary.
4. The zoning of this site precludes the use for enterprise purposes; therefore, no letter offering this site to enterprise agencies is necessary.

Environmental Determination:

This property is exempt from environmental review pursuant to Section 15061 b (3), 15312 b (2), of the State CEQA guidelines, California Code of Regulations as an activity that is covered by the general rule that CEQA applies only to projects which have the potential for causing a significant impact on the environment.

Planning Commission determination:

On January 21, 2004 the planning Commission for the City of Davis determined that the sale or lease of the Property was consistent with the General Plan for the City of Davis.
