To All Interested Parties:

**RE: Notice of Availability/Offer to Sell Surplus Property
1212 L Street, Davis, CA, APN 070-463-005-000**

As required by Government Code Section 54220 of the State of California, Yolo County Housing Authority is providing notification that the Agency intends to sell the surplus property listed in the accompanying table to be used for construction of low- or moderate-income housing.

In accordance with Government Code Section 54222, you have sixty (60) days from the date this offer was sent via certified mail or electronic mail to notify the Agency of your interest in acquiring the property. However, this offer shall not obligate the Agency to sell the property to you. Instead, the Agency would enter into at least ninety (90) days of negotiations with you pursuant to Government Code Section 54223. If no agreement is reached on sales price and terms, or lease terms, the Agency may market the property to the general public.

As required by Government Code Section 54227, if the Agency receives more than one letter of interest during this 60-day period, it will give first priority to entities proposing to develop housing where at least 25 percent of the units will be affordable to lower income households. If more than one such proposal is received, priority will be given to the proposal with the greatest number of affordable units. If more than one proposal specifies the same number of affordable units, priority will be given to the proposal that has the lowest average affordability level.

In the event your agency or company is interested in purchasing the property, you must notify the Agency in writing within sixty (60) days of the date this notice was sent via certified mail or electronic mail. Notice of your interest in acquiring the property shall be delivered to James Gillette, Deputy Director, at 147 W. Main Street, Woodland, CA 95695. You may also direct your questions to jgillette@ych.ca.gov or by calling 530-662-5428

Entities proposing to submit a letter of interest are advised to review the requirements set forth in the Surplus Land Act (Government Code Section 54220-54234).
