ATTACHMENT 5 – STATEMENT OF WORK

1. Subrecipient shall perform the deliverables, services, and tasks as specified in the statement of work Below; or Attached - _____ pages. Subrecipient shall obtain written approval from the County prior to any changes to this statement of work.

The objective of the Yolo County Crisis Nursery Brighter Tomorrows Campaign is to build a new crisis nursery with increased capacity and enhanced service programs for children and families.

The Yolo Crisis Nursery serves children in need by offering a variety of child abuse protection services, including its signature programs Crisis and Respite Care, Wraparound Services for Families, and Specialized Infant Daycare and Preschool for children of families transitioning out of crisis and special needs children. In FY 2021-2022, 97% of the families served by the Yolo Crisis Nursery are Medi-Cal eligible, 78% of the children come from families experiencing homelessness, and 71% of the children live with families at risk of or experiencing domestic violence. Additionally, 75% of the people reached identify as members of historically underserved BIPOC (Black, Indigenous, and/or people of Color) community. The clients served by the Crisis Nursery are all properly deemed "homeless" children or families at the time services are being rendered, as further defined in relevant guidance arising from statutory provisions, including Labor Code section 3701.7, subdivision (a)(4), 42 U.S.C. §11434a(2), and 42 U.S.C. §11302, subdivision (b).

During the COVID-19 pandemic, the Crisis Nursery has provided childcare for essential workers and front-line workers with no alternative childcare available.

The new home will triple the capacity of the Crisis Nursery to provide transitional housing for children in acute crises through the trauma-informed overnight respite care program. The new facility will substantially expand the ability of the Crisis Nursery to provide upstream interventions that both immediately protect young children susceptible to abuse and prevent the costly downstream consequences of unaddressed childhood trauma.

The activities to be completed by the Yolo Crisis Nursery under scope of work include:

- Construction of new facility
