Julie and Paula,

I think we have reached out to all our appointees. I have a few that we still need to finalize for next meeting.

Btw, Marlene Bell will not be reappointed to the Commission on Aging, so please start advertising for that. We started promoting the opportunity.

Best regards,

Subject: Upcoming Committee Terms

Hello Board Deputies,

With some committee's terms expiring at the end of January, we wanted to check with you how your district would like to continue handling reappointments? Back in 2019 Districts 1, 2 and 3 said they would like to reach out to their committee appointees. Districts 4 and 5 said they would like the liaison to reach out to their committee appointees. Please reach out to Julie and Paula to let them know if your district would still like to continue with this practice.

Thank you,

Lupita Ramirez

Good afternoon, Supervisor Villegas:

I want to thank you for the opportunity to serve our community on Yolo County's Local Mental Health Board. I have learned a great deal about mental health services (and funding, staffing and planning) in the county during my year on the board, and it has been a great honor to fill the open seat in your/our district.

Thank you so very much for allowing me to have this experience. I am writing to inform you, however, that I am not seeking a reappointment at this time. I certainly do not want to rule out this or other opportunities to serve in the future. I love the county and always hope to help make it a great place to live, work, play and learn!

I am so grateful to you for your leadership in our great county. Thank you for your service!

With gratitude,
Babs Sandeen
