

YOLO COUNTY
HEALTH AND HUMAN SERVICES AGENCY

EVICCTIONS PROTECTIONS POST-COVID

BACKGROUND

- Impact due to lapse in State and Federal COVID eviction protections has been a chief concern in Yolo County.
- HHSA has attempted to quantify the impact these lapses have had on our community.
- Unfortunately, this data is not currently centrally collected. HHSA staff have worked with partners in the eviction prevention space to assess whether we are seeing indicators of need countywide.

INDICATORS OF EVICTION IMPACT

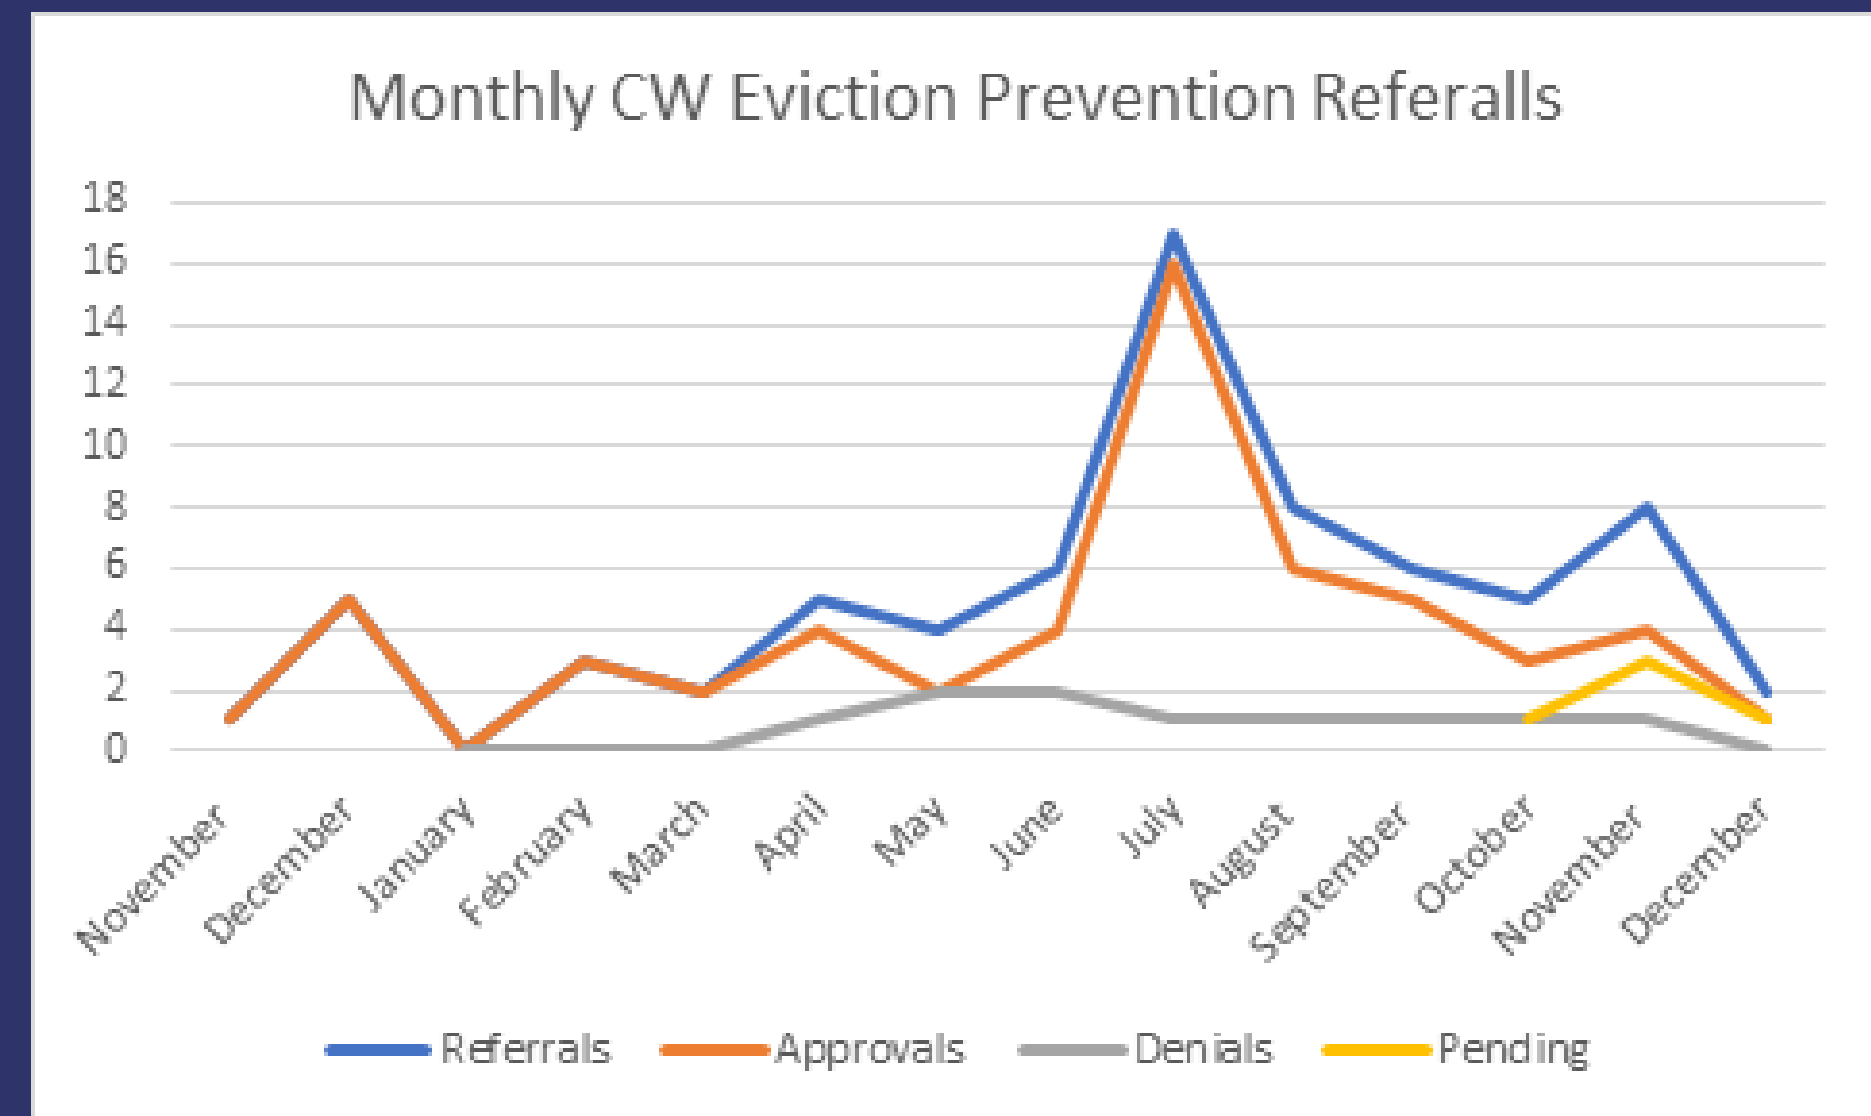

Legal Services of Northern California

- Legal Services of Northern California (LSNC) is one of the primary recipients of eviction support. Their data does not capture all of the county evictions but is a good primary indicator.
- LSNC has reported a **57% increase** in 3 day pay or quit notices had occurred post-COVID protections.

INDICATORS OF EVICTION IMPACT

CalWORKS

- CalWORKS has an eviction prevention component for local low-income families.
- Over the last calendar year we have also seen significant increases in eviction support for local families, some months by as much as 300%.

INDICATORS OF EVICTION IMPACT

Community Services Block Grant

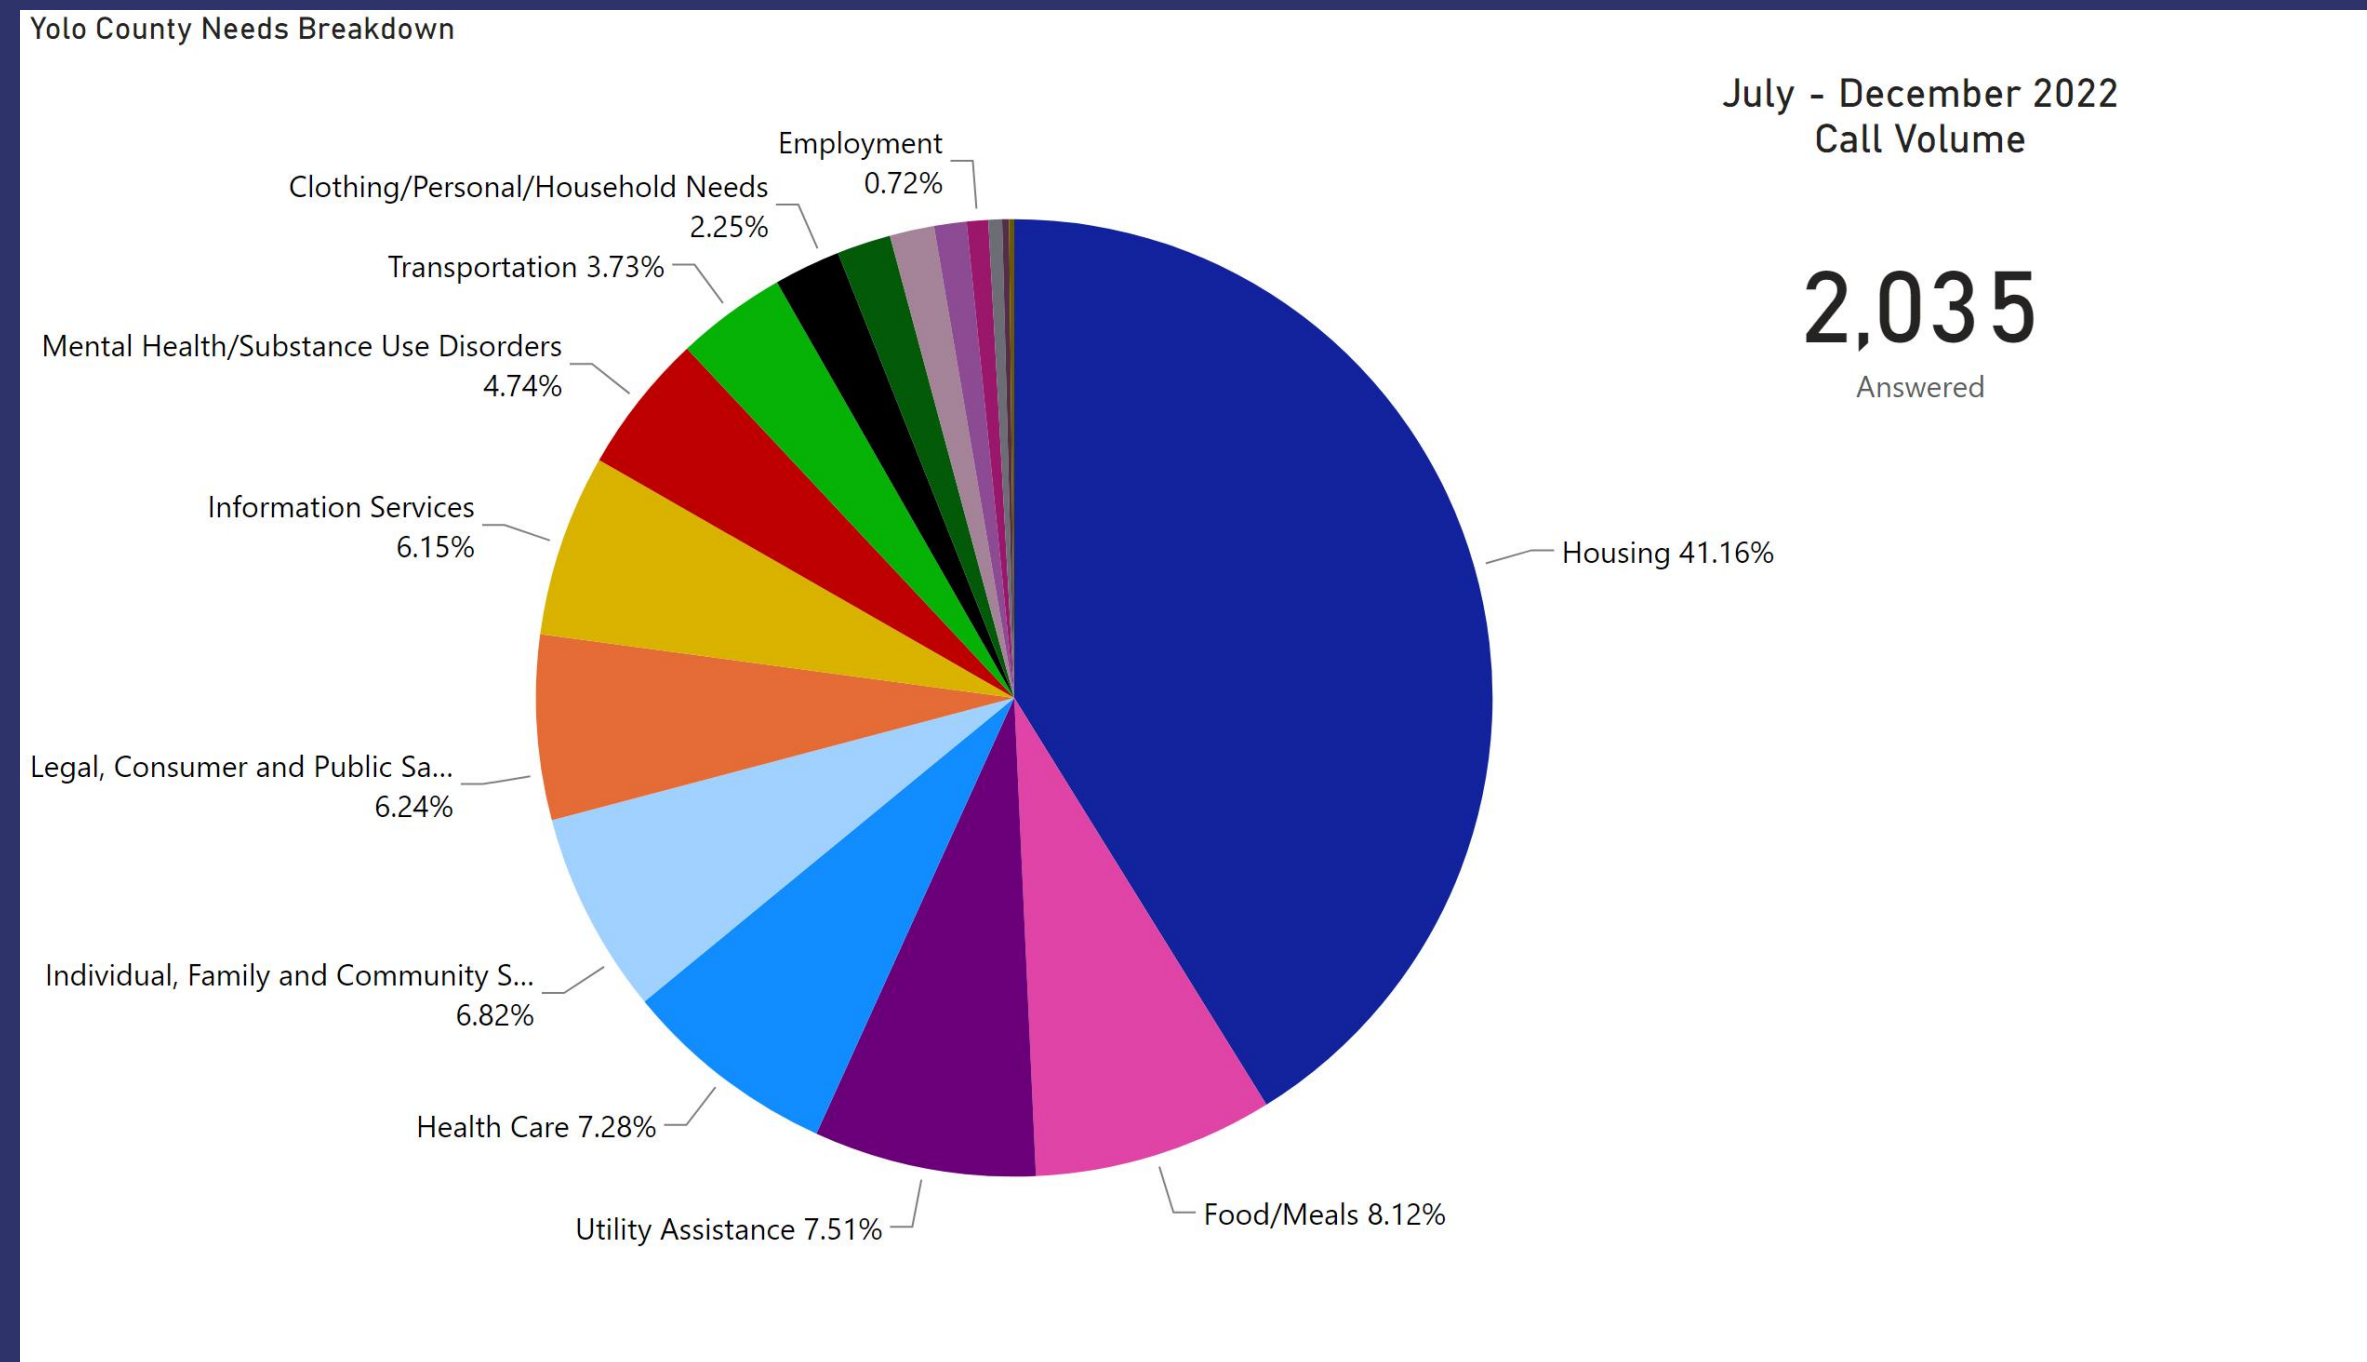

- A significant portion of funding spent toward eviction prevention is covered by CSBG.
- There has been an increase in total spend toward eviction prevention in recent years.
