Hello,

We live off of County Rd 25 and know that Road Maintenance is on the agenda for the April 4th meeting. The condition of the road is extremely bad especially after all the rain. It needs to be repaired before there is an accident or severe damage to a car. It is almost impossible to avoid hitting a deep pothole while driving. One of our neighbors completed the road maintenance form with a picture and I am reinforcing via this email. Thank you.
