Hello all,

Unfortunately I need to give up my seat on this advisory board. I am currently on family leave and will be unable to attend meetings until April when my revised work schedule will not permit me to attend meetings in person, only remotely due to travel times required. Thank you for your understanding and your work on behalf of families in our community.

With much appreciation,

Re: WIB resignation

This letter serves as my resignation from the Yolo County Workforce Innovation Board effective February 23, 2023. Resumption of in-person meetings unfortunately precludes my continued participation.

It has been a pleasure to participate on the WIB for over a decade as a board member, member of the Executive Committee, and for the past two and a half years as Chair. The end of my time on this board comes with appreciation and gratitude for the opportunity to serve with talented Yolo County WIB staff and engaging and committed WIB Board members. We've done good work together and it has been an honor.

Sincerely,

Denice Domke

I am writing this letter today to serve as my resignation from the WIB Board, effective February 9, 2023. Unfortunately, with changing professional demands I am no longer able to meet the needs of this important leadership role. It has been an honor and a privilege to work with all of you. Good morning –

It's with much regret that I must submit my resignation from the Yolo WIB effective February 9, 2023. I have been overburdened with work responsibilities that prevent me from serving as a contributing member of the board, and I believe you would be better served by another labor representative.

It's been a pleasure serving on the WIB and working with such a positive and impactful committee. Thank you for all of your efforts.

Sincerely,

Sarah McGinn
