Dear Chair Villegas and Board of Supervisors:

I am writing on behalf of the East Davis Fire Protection District Board, regarding item 28 on your agenda (Long-Term Fire Sustainability Update).

With our East Davis Fire Protection Board sub-committee having worked with staff throughout this process and now reviewed their report for your agenda, we are supportive of the recommendations made for long-term fire sustainability—particularly with regard to the East Davis Fire District in Area 4.

Thanks you for your time and consideration in this important public safety matter.

Regards,
Bill Weisgerber, Chair
East Davis Fire Protection District
