Dear Sheila,

Please see the email below from Trustee Main who has decided to extend his stay in Spain and therefore must resign from the board. I will have Liz Mahovlich send the 700U exiting paperwork for him today. Our board is solid with Joe as the alternate however I do know another community member interested so I will have her apply online. Gail Jankowski is a long-time Davis resident who has her husband interred with us. She has been an active partner in maintaining our rose garden and has a genuine interest in the grounds. I think Gail would be a great addition to our board, especially as we begin to plan our expansion area.

Warm regards,
Jess

Dear Jess,

I need to follow up on my position on the Board of Directors of the Cemetery District.

While I fully anticipated that my absence from Davis would last no more than a year, we have decided to extend our stay in Spain for another year.

I truly appreciate the forbearance the Board has shown during my absence. But I feel it would be most appropriate to resign.

Please advise of how to proceed.

We should take a moment to acknowledge the land on which we are gathered. For thousands of years, this land has been the home of Patwin people. Today, there are three federally recognized Patwin tribes: Cachil Dehe Band of Wintun Indians of the Colusa Indian Community, Kletsel Dehe Band of Wintun Indians, and Yocha Dehe Wintun Nation. We are honored and grateful to be here today on their traditional lands.

Subject: CSAB Board

Hi Isaac, Ian and Anissa,

I am writing to submit my resignation from the Community Services Action Board effective immediately.

It has been a pleasure serving on the board for over 12 years. I have, however, found my time and

ability to be actively involved in the board diminish over the past few years due to other commitments. My attendance has lagged significantly and I have not had time to work on many of the CSAB projects as I had in past years.

Thank you for the opportunity to serve.
