

EXHIBIT F – PERFORMANCE MEASURES

Child Abuse Prevention	Yolo County Children’s Alliance	Jeneba Lahai
Program Purposes	1) Convene and serve as the backbone organization for the Yolo County Child Abuse Prevention Council (CAPC), whose mission is to eliminate child abuse and neglect and the adversity it causes by strengthening families and communities. 2) As a project of the Yolo County CAPC, develop materials that strengthen families and provide these materials to family-serving organizations during Child Abuse Prevention Month. Materials will support Strengthening Families™ protective factors. 3) Convene the Yolo Family Strengthening Network (YFSN) to increase collaboration and promote child abuse prevention and family strengthening in family-serving organizations.	
Program Information	The YCCA Child Abuse Prevention program conducts three primary activities: 1) Convenes, coordinates, and supports CAPC meetings. Supports CAPC Committees. 2) Creates and disseminates Child Abuse Prevention Month materials that strengthen families to family-serving organizations during April - Child Abuse Prevention Month. 3) Coordinates and plans YFSN meetings with Co-Chairs, participates in committees, and maintains YFSN listserv. One of the frameworks that YCCA uses in our child abuse prevention efforts is the Strengthening Families™ Framework. This is a research-informed approach to increase family strengths, enhance child development, and reduce child abuse and neglect. Created by the Center for the Study of Social Policy in 2003, it focuses on building 5 protective factors (i.e., parental resilience, social connections, knowledge of parenting and child development, concrete support in times of need, and social and emotional competence of children) to promote better outcomes for families. YCCA receives \$45,000 from Yolo County for Child Abuse Prevention.	
Staff	1) .50 FTE dedicated to Child Abuse Prevention 2) .50 FTE - Child Abuse Prevention Program Manager	
PM1: How much did we do?		
1.1 (a)	# CAPC meetings	
1.1 (b)	# members attending CAPC meetings	
1.1 (c)	# CAPC ad hoc Committee meetings	
1.1 (d)	# and % of CAPC and CAPC ad hoc Committee meetings attended by CAP Coordinator	
1.2	# of partner organizations receiving informational material for Child Abuse Prevention Month	
1.3 (a)	# YFSN meetings
