- 8,500+ households served monthly by our 84 partner agencies
- 21,500+ total households served monthly throughout Yolo County

\*Some households may be accessing food at multiple sites

# *Yolo County Poverty Facts*

- While the COVID-19 public emergency declaration has ended, the need has not diminished.
- Across our distributions, we've seen a 20% increase from April 30, 2022 to April 30, 2023.
- This 20% increase does not include the additional households that are likely to seek resources due to the ending of the CalFresh Emergency Allotments.
