

**COUNTY OF YOLO**  
**County Administrator's Office**

**WORK AUTHORIZATION**

**Agreement Number:** 21-112

**BOS Agreement Number:** 21-112

**Project:** Office of Emergency Services

**Contractor:** Yolo County Resource Conservation District (RCD)

**Contact Person:** Heather Nichols     **Phone:** 530-661-1688

**Project Description:** Assist with implementing county conservation projects and plans due to the Resource Conservation District's unique expertise, capabilities, and equipment. Since the approval of the original MOU, signed July 15, 2021 by BOS agreement 21-112, the county has recognized a need for additional services and further collaboration with the RCD due to the increased prevalence of wildland fires in the county, including the County Fire in 2018 that burned over 90,000 acres in Napa and Yolo, the Sand Fire in 2019 that burned over 2,500 acres in Yolo and the LNU Complex Fire in 2020 that burned an area of nearly 400,000 acres in Lake, Napa, Sonoma, Solano, and Yolo.

The original MOU had no cap, which was approved before receiving the additional CFSC and CALFIRE grant dollars. The grants are budgeted, and the contract increase covers the grant amounts.

CALFIRE CWPP

RCD Total Grant: \$280,405

State Budget Reflect to Detect

RCD Total Grant: \$54,901

CFSC Fire Coordinator

RCD Total Grant Amount: \$120,000
