Subject: 7/25/23 Board of Supervisors Agenda Item #48

Regarding Agenda Item #48: I am writing to ask you to please take compassionate action to 1) establish and provide spay and neuter services for Yolo County, and 2) build a new state-of-the-art animal shelter (or fully renovate the existing shelter to projected needs and best standards) to address the critical issues of animal overpopulation and shelter overcrowding. Let us humanely safeguard the well-being of our community's animals. Thank you for your concern and care, Laura Baria lolbaria@gmail.com
