Subject: Re the 7/25 Supervisor's meeting - the Yolo County Animal Shelter

Dear Supervisors,

I urge you to allocate funding to rebuild/renovate/modernize the animal shelter - And institute their own spay/neuter program. If you haven't walked thru the shelter, you really can't appreciate how awful it is for the animals and the staff/volunteers working there.

I am familiar with the Bradshaw shelter, Sacramento Front Street and Solano shelter as a volunteer. The Yolo County shelter is shameful. Please make this a priority in 2023/24.

If a fund raiser would help, I know the animal lovers in Yolo would be gung ho to do that - plus the commitment of funding and action from you.
