Hello,

This is my personal endorsement as a citizen & property owner of Davis, the tangible need to update our overcrowded Animal Shelter.

Let us end the contract w/UCD vet today as it can not presently keep up with the demands. It is unfair to keep animals in overcrowding and needs the F.T. services of a vet, for a variety of needs. The spay & neuter services is paramount in those needs.

Can we get a yes to increased operations, services and restoration of a quality Davis Animal Shelter? We live in the shadow of a nationally recognized Vet School. Let us no longer be the forgotten step child in this tangled situation. The animals who are not here today, need our collective support this afternoon & for a safer future.

Sincerely,

SHIRLEY FENILE
