California Farmworker Day Resource Fair in Yolo County

In 2021, Governor Newsom signed SB 721, which would designate August 26 of each year as California Farmworker Day. Nearly 8,000 farmworkers in Yolo County are essential to the global food supply as well as our economy. We will have a resource fair and provide food and entertainment to highlight, remember, and appreciate the work that farmworkers contribute daily. The event is open to all farmworkers and their families!
