Dear Mr. Mora,

The Esparto Unified School District is proposing the following changes to our parking and loading zone areas at the Elementary school located at 17120 Omega Street Esparto, CA 95627.

- Establish a no parking zone on Plainfield Street at the Corner with Omega Street to provide a better view of the crosswalk to drivers approaching west on Plainfield St.
- Remove the existing loading zone on Omega Street (south of the driveway exit)
- Instead of the loading zone, establish a no parking zone on Omega Street between the crosswalk and driveway exit plus at least two car lengths past the driveway exit for a better view of cars coming from the stop sign at Madison and Omega.

Thank you for your consideration on the above changes.

Sincerely,

A handwritten signature in cursive script that reads 'Christi Goennier'.
