12. INDEMNIFICATION:

Contractor shall hold harmless, defend and indemnify County and its agents, officers, officials, employees and volunteers from and against any and all claims, demands, losses, damages, liabilities, expenses and costs of any kind or nature, including, without limitation, attorney fees and other costs of litigation, arising out of, or in connection with, Contractor's performance of, or failure to comply with, any of the obligations contained herein, except such loss or damage which was caused by the negligence or willful misconduct of County.

13. INSURANCE REQUIREMENTS:

This Agreement shall not be executed by County, and Contractor is not entitled to any rights hereunder, unless certificates of insurance or other sufficient proof that the following provisions have been complied with, are filed with the Clerk of the Yolo County Board of Supervisors.

- A. General Insurance Requirements.** Without limiting Contractor's indemnification obligations provided for herein, Contractor shall, and shall require that all subcontractors hereunder, take out and maintain, throughout the period of this Agreement and any extended term thereof, the following policies of insurance placed with insurers authorized to do business in California and with a current A.M. Bests rating of no less than A: VII or its equivalent against personal injury, death and property damage which may arise from, or in connection with, the activities of Contractor, its agents, officers, directors, employees, licensees, invitees, assignees or subcontractors:
1. Comprehensive or Commercial General Liability Insurance at least as broad as Insurance Services Office Commercial General Liability Coverage (occurrence form CG 0001), in an amount of Two Million Dollars (\$2,000,000) per occurrence for any one incident, including, but not limited to, personal injury, death and property damage. If a general aggregate limit is used, such limit shall apply separately hereto or shall be twice the required occurrence limit.
 2. Automobile/Motor Liability Insurance with a limit of liability of not less than One Million Dollars (\$1,000,000) combined single limit coverage. Such insurance shall include coverage of all owned, hired and non-owned vehicles. Said coverage shall be at least as broad as Insurance Service Office Form Code 1 (any auto).
 3. Workers' Compensation Insurance, as required by the Labor Code of the State of California, with statutory limits, and Employers Liability Insurance with a limit of no less than One Million Dollars (\$1,000,000) per accident for bodily injury or disease. Said policy shall contain, or be endorsed to contain, a waiver of subrogation against County, its agents, officers, officials, employees and volunteers.
 4. Professional Liability Insurance – Error and Omission Coverage including coverage in an amount no less than Two Million Dollars (\$2,000,000) for each occurrence (Four Million Dollars (\$4,000,000) general aggregate). Said insurance shall be maintained for the statutory period during which Contractor may be exposed to liability. Contractor shall require that such coverage be incorporated into its professional services agreements with any other entities.
- B. Special Insurance Requirements.** Said policies shall, unless otherwise specified herein, be endorsed with the following provisions:
1. The Comprehensive or Commercial General Liability Policy shall provide that County, its agents, officers, officials, employees and volunteers, are covered as additional insured for liability arising out of the operations performed by or on behalf of Contractor. The coverage shall contain no special limitations on the scope of protection afforded to County, its agents, officers, officials, employees and volunteers. Said policy shall also contain a provision stating that such coverage:
 - a. Includes contractual liability.
 - b. Does not contain exclusions as to loss or damage to property caused by explosion or resulting from collapse of buildings or structures or damage to property underground, commonly referred to "XCU Hazards."
 - c. Is the primary insurance with regard to County.
 - d. Does not contain a pro-rata, excess only and/or escape clause.
 - e. Contains a cross liability, severability of interest or separation of insureds clause.
 2. The above-referenced policies shall not be canceled, non-renewed or materially reduced in coverage without thirty (30) days prior written notice being provided to County in accordance with the notice provisions set forth herein. It is further understood that

Contractor shall not terminate such coverage until County receives adequate proof that equal or better insurance has been secured.

3. The inclusion of more than one insured shall not operate to impair the rights of one insured against another insured, and the coverage afforded shall apply as though separate policies had been issued to each insured, but the inclusion of more than one insured shall not operate to increase the limits of the insurer's liability.
4. For claims related to this Agreement, Contractor's insurance is the primary coverage to County, and any insurance or self-insurance programs maintained thereby are excess to Contractor's insurance and will not be used to contribute therewith.
5. Any failure to comply with the provisions of this Agreement, including breach of warranties, shall not affect coverage provided to County, its agents, officers, officials, employees and volunteers.
6. Contractor shall furnish County with certificates and original endorsements effecting the required coverage prior to execution of this Agreement. The endorsements shall be on forms approved by County. Any deductible or self-insured retention over One Hundred Thousand Dollars (\$100,000) shall be disclosed to County. If Contractor does not keep all required policies in full force and effect, County may, in addition to other remedies under this Agreement, take out the necessary insurance, and Contractor agrees to pay the cost thereof. County is also hereby authorized with the discretion to deduct the cost of said insurance from the monies owed to Contractor under this Agreement.

The services shall be performed at the Monroe Facility and Leinberger Center, 140A Tony Diaz Drive, Woodland, CA 95776. The services shall be provided 24 hours per day, seven days per week, including all state holidays.

II. CONTRACTOR RESPONSIBILITIES.

- A. Contractor shall administer a JBCT program within a designated area of the Facility and provide restoration of competency treatment services that are intended to restore trial competency for JBCT Patient Inmates incarcerated at the Facility and committed to the Department of State Hospitals (DSH) under California Penal Code section 1370. The restoration of competency treatment services shall adhere to the program outlines described in Section 3, Program Elements, below.
- B. Contractor shall conduct a preliminary evaluation of each potential JBCT Patient Inmate by reviewing the medical and mental health records of each prospective JBCT Patient inmate prior to admission into the JBCT program.
 - a. Contractor shall ensure that priority for admissions to the JBCT program shall be based on commitment date, regardless of the County of commitment, unless an exception is made based on one of the factors listed in the California Code of Regulations (CCR), Title 9, Section 4710. In the event multiple felony IST defendants have the same commitment date, admission shall be scheduled based on the availability of the County to transport the defendants.
 - b. Upon JBCT Patient Inmate’s admission to the JBCT program, Contractor shall conduct a more thorough assessment in accordance with Section 3, Program Elements, below.
- C. Contractor shall conduct a preliminary evaluation of each potential JBCT Patient Inmate by performing, at a minimum, a review of the medical and mental health records of each prospective Patient Inmate, prior to admission into the JBCT program.
 - a. Contractor shall ensure that priority for admissions to the JBCT program shall be based on commitment date, regardless of the County of commitment, unless an exception is made based on one of the factors listed in California Code of Regulations (CCR), Title 9, Section 4710. In the event multiple felony IST defendants have the same commitment date, admission shall be scheduled based on the availability of the committing County to transport the defendants.
 - b. Upon admission into the JBCT program, Contractor shall ensure that a more thorough assessment is conducted as indicated in Section 3, Program Elements, below.

Contractor shall provide services for a total of three single and two double bed cells to Patient Inmates located in the JBCT designated area. Should the need to increase the number of beds for the JBCT program, Contractor and County shall negotiate an increase in hours and compensation accordingly.

- D. Upon the first Patient Inmate admission, Patient Inmates shall be limited to felony Patient Inmates as committed by County for a period of six months. After six months, Patient Inmates shall also include male felony Patient Inmates committed and referred by Del Norte County.
- E. Contractor retains the right to exclude specific individual Patient Inmates from the JBCT designated for classification reasons at the time of assignment or at any point during the Patient Inmate’s incarceration at the Facility.

- F.** Should Contractor determine, based on clinical considerations, patient history, or other factors, that a current or potential Patient Inmate is, or likely shall be, violent and a significant danger to others participating in the JBCT program, Contractor shall inform the County and DSH Contract Manager immediately in writing, and by phone. Contractor agrees that the decision to remove such a Patient Inmate from the JBCT program is at the sole discretion of the DSH, and the DSH shall not unreasonably withhold such permission. In the event a Patient Inmate is removed from the JBCT program, the DSH shall arrange to have such Patient Inmate admitted to a state hospital forthwith as is permitted under the admission requirements set forth in CCR, Title 9, sections 4700, et seq. Contractor shall continue to treat the Patient Inmate in the JBCT program until such arrangements are made.
