

**INTERGOVERNMENTAL AGREEMENT REGARDING  
TRANSFER OF PUBLIC FUNDS**

This Agreement is entered into between the CALIFORNIA DEPARTMENT OF HEALTH CARE SERVICES (“DHCS”) and the COUNTY OF YOLO (“Governmental Funding Entity”) with respect to the matters set forth below.

The parties agree as follows:

**AGREEMENT**

1. Transfer of Public Funds.

1.1. For the county nonfederal share of Medi-Cal payments for Drug Medi-Cal services furnished through the Governmental Funding Entity’s Drug Medi-Cal County (DMC-ODS) delivery system, and consistent with Welfare and Institutions Code 14184.403, the Governmental Funding Entity agrees to the transfer of public funds to DHCS for the service period of July 1, 2023 through December 31, 2026 (“Service Period”). The Governmental Funding Entity shall transfer the public funds in accordance with the terms and conditions of this Agreement, Welfare and Institutions Code 14164, and DHCS issued Behavioral Health Information Notices.

1.2. In any month in which the DMC-ODS County Funds Accounting (“CFA”) balance is less than the amount necessary to fund the county nonfederal share of approved claims in that claim file, the Governmental Funding Entity agrees to transfer funds in an amount necessary to fund the county non-federal share of approved claims. “CFA balance” is defined as the real time balance in the Governmental Funding Entity’s CFA account. DHCS will withhold payment of claims for any month triggering this provision until the necessary funds are received. Upon receipt of these funds, DHCS will credit the funds to the Governmental Funding Entity’s CFA and release the applicable claim file for payment.

1.3. The Governmental Funding Entity may transfer funds to DHCS to deposit into the Medi-Cal County Behavioral Health Fund at any time during the course of this Agreement through a wire transfer, Automated Clearing House, or physical check.

1.4. If, at the end of the Service Period, the CFA balance reflects an excess of funds transferred that was necessary to fund the county nonfederal share of approved claims with dates of service during the Service Period, DHCS agrees to return the unexpended funds to the Governmental Funding Entity. If mutually agreed to by the parties, amounts due to or owed by the Governmental Funding Entity may be offset against future transfers. Actual approved claims and the associated county nonfederal share amounts will be considered final [two years after] the end of the Service Period.

1.5. The Governmental Funding Entity certifies that any funds transferred pursuant to this Agreement qualify for federal financial participation pursuant to Section 433.51 of Title 42 of the Code of Federal Regulations, any other applicable federal Medicaid laws, and the CalAIM Terms and Conditions, and are not derived from impermissible sources such as recycled Medicaid payments, Federal money excluded from use as State match, impermissible taxes, and non-bona fide provider-related donations. Impermissible sources do not include patient care or other revenue received from federal healthcare programs to the extent that the program revenue is not obligated to the State as the source of funding.

1.6. The funds transferred pursuant to this Agreement represent a voluntary contribution to the non-federal share of Medi-Cal expenditures for purposes of all state and federal laws, including but not limited to Section 14184.403 of the Welfare and Institutions Code and 42 U.S.C. § 1396d(cc).

1.7. The Governmental Funding Entity agrees that failure to timely transfer

funds in accordance with this Agreement constitutes a failure to perform functions of a program funded by the Behavioral Health Subaccount that may place federal Medicaid funds at risk such that DHCS may take the steps and issue the notifications set forth in Section 30027.10 of the California Government Code. In the event of a disallowance or deferral of federal funds related to the allowability of funds transferred pursuant to this Agreement, DHCS shall be held harmless from any such deferral or disallowance of federal funds, and associated federally-imposed interest if applicable. If, after conferring with the Governmental Funding Entity, DHCS determines that the disallowances and deferral cannot be cured through the provision of alternate public funds, the Governmental Funding Entity shall be responsible for refunding the federal portion of that disallowance or deferral to DHCS. DHCS shall recoup the dis- allowed federal funding already paid to the Governmental Funding Entity for such purpose. The Governmental Funding Entity shall retain the county nonfederal share of such recouped payments.

1.8. The Governmental Funding Entity must, in accordance with applicable federal regulations, maintain all documentation necessary to verify that the funds transferred meet the requirements of Section 1.5. This documentation must include any records required for Medi-Cal field audits.

## 2. County Funds Accounting Report

2.1. DHCS shall provide the Governmental Funding Entity a CFA report on the 15<sup>th</sup> of every month. The CFA report shall include information for the prior calendar month. The CFA report shall include the Governmental Funding Entity's starting CFA amount, which is the ending amount from the prior month, an itemized list of all transactions that increased and decreased the CFA aggregate amount during the reporting month, including but not limited to all approved claims and amounts transferred, as applicable, pursuant to this Agreement, the CFA

ending amount based on the listed transactions, and the recommended amount the Government Funding Entity should transfer to meet the account threshold described in Section 1.2. Transaction details will include the transaction identifier or warrant number, the transaction date, a description of the transaction, the amount of the transaction, and the CFA balance after the transaction.

### 3. Authorized Use of Transferred Funds

3.1. DHCS shall exercise its authority under Section 14184.403 of the Welfare and Institutions Code to accept funds transferred by the Governmental Funding Entity pursuant to this Agreement as public funds, to use for the purpose set forth in Section 3.2.

3.2. The funds transferred by the Governmental Funding Entity pursuant to this Agreement shall be used exclusively to fund the county's nonfederal share of Medi-Cal payments associated with the provision of Drug Medi-Cal services Section 14184.403 of the Welfare and Institutions Code. The funds transferred that constitute the county nonfederal share, together with the applicable federal financial participation and State funds, shall be paid by DHCS to the Medi-Cal behavioral health delivery system associated with the Governmental Funding Entity, consistent with applicable state and federal requirements for the applicable service periods from July 1, 2023 through December 31, 2026, in accordance with Section 14184.403 of the Welfare and Institutions Code.

3.3. DHCS shall seek Federal Financial Participation for the Medi-Cal payments specified in Section 3.2 to the full extent permitted by federal law. The total intergovernmental transfer-funded payment amount, which includes the federal and nonfederal share, paid to a Medi-Cal behavioral health delivery system shall be for the support of behavioral health-related services and activities that benefit patients served by the Medi-Cal behavioral health delivery system, consistent with federal law. The DMC-ODS associated with the Governmental

Funding Entity, that receives payments pursuant to Section 3.2, will retain 100% of those payments to use to meet the costs of furnishing such services and activities which may include the Governmental Funding Entity's payment to its subcontract providers. Nothing in this agreement shall be construed to direct the manner, including type or amount, in which the DMC-ODS shall meet such costs.

4. Dispute Resolution Process.

4.1. In the event of a dispute arising under this Agreement, including but not limited to, disputes related to the CFA report, the Governmental Funding Entity must submit an appeal letter to DHCS. Such appeal letter must be submitted within 120calendar days of receipt of the CFA report or other relevant documentation. The dispute letter must set forth the relevant facts and explanation of the dispute.

4.2. Within 60 calendar days of receipt of the appeal letter, DHCS will issue a final decision to the Governmental Funding Entity. The 60-day time period may be extended if the Governmental Funding Entity and DHCS agree in writing on an extension of time to evaluate and resolve the dispute.

5. Amendments.

5.1. No amendment or modification to this Agreement shall be binding on either party unless made in writing and executed by both parties.

5.2. The parties shall negotiate in good faith to amend this Agreement as necessary and appropriate to implement the requirements set forth in Section 3 of this Agreement.
