EXHIBIT C – INDEMNIFICATION AND INSURANCE

I. INDEMNIFICATION

A. Contractor shall exercise all care and judgment consistent with good practices in the performance of the services required by this Agreement.

B. With the exception that this Section shall in no event be construed to require indemnification by Contractor to a greater extent than permitted under the laws or public policy of the State of California, Contractor shall indemnify, defend and hold harmless County of Yolo and its officers, agents, employees and volunteers from and against any and all claims, damages, demands, losses, defense costs, expenses (including attorneys' fees) and liability of any kind or nature arising out of or resulting from performance of the work, provided that any such claim, damage, demand, loss, cost, expense or liability is caused in whole or in part by any negligent or intentional act or omission of the contractor, any subcontractor, anyone directly or indirectly employed by any of them or anyone for whose acts any of them may be liable, regardless of whether or not it is caused in part by a party indemnified hereunder. Contractor and/or any subcontractor's responsibility for such defense and indemnity obligations shall survive the termination or completion of this Agreement for the full period of time allowed by law. The defense and indemnification obligations of this Agreement are undertaken in addition to, and shall not in any way be limited by, the insurance obligations contained in this Agreement. In providing any defense under this Section, Contractor shall utilize counsel approved by the Office of the County Counsel in its reasonable discretion.

C. Any subcontractor must agree to be bound to County of Yolo in the same manner and to the same extent as Contractor is bound to County of Yolo under this Agreement. Any subcontractors must further agree to include the same requirements and provisions of this Agreement, including the indemnity and insurance requirements, with any sub-subcontractor to the extent they apply to the scope of the sub-subcontractor's work.

II. INSURANCE

A. During the term of this Agreement, Contractor shall at all times maintain, at its expense, the following coverages and requirements:

1. Minimum Scope of Insurance – Coverage shall be at least as broad as the latest version of the following:

- a.** Commercial General Liability: Insurance Services Office form CG 000. The policy shall not contain any exclusions contrary to the Contract, including but not limited to endorsements or provisions limiting coverage for 1) Contractual liability such as ISO CG 24 26 or 21 29; or 2) cross liability or suits by one insured against another.
- b.** Automobile Liability: Insurance Services Office form CA 00 01, code 1- Any Auto or including Hired and Non-Owned vehicles.
- c.** Workers' Compensation and Employers' Liability: Workers' Compensation insurance as required by the State of California and Employers' Liability.
- d.** Professional Liability (Errors and Omissions) (If applicable, see below)

2. Minimum Limits (as applicable) - Insurance coverage shall be with limits not less than the following:

- a. Commercial General Liability – \$2,000,000/occurrence and \$4,000,000 annual aggregate or an aggregate of \$2,000,000 that applies separately to this project (ISO CG 25 03 or 25 04).
- b. Automobile Liability – \$1,000,000 per accident for bodily injury and property damage
- c. Professional Liability/Malpractice/Errors and Omissions –\$2,000,000 per occurrence and annual aggregate (If any engineer, architect, attorney, accountant, medical professional, psychologist, or other licensed professional performs work under a contract, or other professional contractors, such as computer and software designers the contractor must provide this insurance. If not, then this requirement automatically does not apply.)
- d. Workers’ Compensation – Statutory Limits/Employers’ Liability - \$1,000,000/accident for bodily injury or disease (If no employees, this requirement automatically does not apply.)

It shall be a requirement under this agreement that any available insurance proceeds broader than or in excess of the specified minimum Insurance coverage requirements and/or limits shall be available to the Additional Insured. Furthermore, the requirements for coverage and limits shall be (1) the minimum coverage and limits specified in this Agreement; or (2) the broader coverage and maximum limits of coverage of any Insurance policy or proceeds available to the named Insured; whichever is greater.

3. OTHER INSURANCE PROVISIONS

- a. **Additional Insured Status** - County, its officers, agents, employees and volunteers shall be named as additional insured on the CGL policy with respect to liability arising out of work or operations performed by or in behalf of the Contractor including, materials, parts, or equipment furnished in connection with such work or operations. Coverage can be provided in the form or an endorsement to the Contractor’s insurance (at least as broad as CG 20 10 11 85 or if not available, through the addition of both CG 20 37 and one of the following: CG 20 10, CG 20 26, or CG 20 33). [NOTE: Evidence of additional insured is needed as a separate endorsement or comparable policy language due to wording on the certificate negating any additional coverage listed writing in the description box.]
- b. **Primary Coverage** - The Contractor’s policy shall be “primary and non-contributory” and will not seek contribution from County’s insurance or self-insurance and shall be at least as broad as CG 20 01 04 13.
- c. **Notice of Cancellation** – Each insurance policy required above shall provide that coverage shall not be cancelled, except with notice to County.
- d. **Waiver of Subrogation** – Contractor hereby grants to County a waiver of any right to subrogation which any insurer of said Contractors may acquire against County by virtue of the payment or any loss under such insurance. Contractor agrees to obtain any endorsement that may be necessary to affect this waiver of subrogation, but this provision applies regardless of whether or not County has received a waiver of subrogation endorsement from the insurer.

- 4. The limits of Insurance required in this Agreement may be satisfied by a combination of primary and umbrella or excess Insurance. Any umbrella or excess Insurance shall contain or be endorsed to contain a provision that such coverage shall also apply on a primary and noncontributory basis for the benefit of County of Yolo (if agreed to in a written contract or

agreement) before County's own Insurance or self-insurance shall be called upon to protect it as a named insured.

5. Said policies shall remain in force through the life of this Agreement and, with the exception of professional liability coverage, shall be payable on a "per occurrence" basis unless the County Risk Manager specifically consents in writing to a "claims made" basis. For all "claims made" coverage, in the event that the Contractor changes insurance carriers Contractor shall purchase "tail" coverage covering the term of this Agreement and not less than three years thereafter. Proof of such "tail" coverage shall be required at any time that the Contractor changes to a new carrier prior to receipt of any payments due.
 6. The Contractor shall declare all aggregate limits on the coverage before commencing performance under this Agreement, and the County Risk Manager reserves the right to require higher aggregate limits to ensure that the coverage limits required for this Agreement as set forth above are available throughout the performance of this Agreement.
 7. Any deductibles or self-insured retentions must be declared to and are subject to the approval of the County Risk Manager. All self-insured retentions (SIR) must be disclosed to Risk Management for approval and shall not reduce the limits of liability. Policies containing any SIR provision shall provide or be endorsed to provide that the SIR may be satisfied either by the named Insured or Yolo County.
 8. Insurance is to be placed with insurers with a current A.M. Best's rating of no less than A:VII, unless otherwise approved by the County Risk Manager.
 9. The policies shall cover all activities of Contractor, its officers, employees, agents and volunteers arising out of or in connection with this Agreement.
 10. For any claims relating to this Agreement, the Contractor's insurance coverage shall be primary, including as respects County, its officers, agents, employees and volunteers. Any insurance maintained by County shall apply in excess of, and not contribute with, insurance provided by Contractor's liability insurance policy.
- B.** Prior to commencing services pursuant to this Agreement, Contractor shall furnish County with original policies or endorsements reflecting coverage required by this Agreement. The endorsements are to be signed by a person authorized by that insurer to bind coverage on its behalf. All endorsements are to be received by, and are subject to the approval of, County Risk Manager before work commences. Upon County's request, Contractor shall provide complete, certified copies of all required insurance policies, including endorsements reflecting the coverage required by these specifications.
- C.** During the term of this Agreement, Contractor shall furnish County with original endorsements reflecting renewals, changes in insurance companies and any other documents reflecting the maintenance of the required coverage throughout the entire term of this Agreement. The endorsements are to be signed by a person authorized by that insurer to bind coverage on its behalf. Upon County's request, Contractor shall provide complete, certified copies of all required insurance policies, including endorsements reflecting the coverage required by these specifications. Yolo County reserves the right to obtain a full certified copy of any Insurance policy and endorsements. Failure to exercise this right shall not constitute a waiver of right to exercise later.
- D.** Contractor agrees to include with all Subcontractors in their subcontract the same requirements and provisions of this Agreement including the indemnity and Insurance requirements to the extent

they apply to the scope of the Subcontractor's work. Subcontractors hired by Contractor agree to be bound to Contractor and the County of Yolo in the same manner and to the same extent as Contractor is bound to the County of Yolo under the Contract Documents. Subcontractor further agrees to include these same provisions with any Sub-subcontractor. A copy of the Owner Contract Document Indemnity and Insurance provisions will be furnished to the Subcontractor upon request. The General Contractor and/or Contractor shall require all Subcontractors to provide a valid certificate of insurance and the required endorsements included in the Contract prior to commencement of any work and General Contractor and/or Contractor will provide proof of compliance to the County of Yolo. (Coverage can be provided in the form or an endorsement to the Contractor's insurance (at least as broad as CG 20 38 for operations and CG 20 40 for completed operations).

- E. Contractor shall maintain insurance as required by this Agreement to the fullest amount allowed by law and shall maintain insurance for a minimum of five years following the completion of this project. In the event Contractor fails to obtain or maintain completed operations coverage as required by this Agreement, County at its sole discretion may purchase the coverage required and the cost will be paid by Contractor.

III. WORKERS' COMPENSATION

- A. Contractor shall provide worker's compensation coverage as required by State law, and prior to commencing services pursuant to this Agreement shall file the following statement with County in a form substantially as set forth below.

WORKERS' COMPENSATION CERTIFICATE

I am aware of the provisions of the California Labor Code, Section 3700 that requires every employer to be insured against liability for workers' compensation or to undertake self-insurance in accordance with the provisions of that code, and I will comply with such provisions before commencing any services required by this Agreement.

The person executing this certificate on behalf of Contractor affirmatively represents that she/he has the requisite legal authority to do so on behalf of Contractor; both the person executing this Agreement on behalf of Contractor and Contractor understand that County is relying on this representation in entering into this Agreement.

IV. LIABILITY INSURANCE FOR LICENSED RESIDENTIAL SUD RECOVERY OR TREATMENT FACILITIES

- A. As required by AB 1158, which amends Health and Safety Code section 11834.10, and as outlined in BHIN 22-023, licensed residential SUD recovery or treatment facilities shall have and maintain minimum liability insurance coverage to protect residents. In the event the County insurance requirements, as prescribed in Section II. of this Exhibit, fall below these limits, Contractor shall at all times maintain at least the level of insurance as prescribed below, which cannot be waived by the County.
- B. Licensed residential SUD recovery or treatment facilities that serve more than six residents, shall have and maintain, at all times all of the following insurance coverages:
 - 1. Commercial general liability insurance that includes coverage for premises liability, products and completed operations, contractual liability, personal injury and advertising liability, abuse, molestation, sexual actions, and assault and battery, with minimum coverage amounts for

bodily injury or property damage of not less than one million dollars (\$1,000,000) per occurrence.

2. Commercial or business automobile liability insurance covering all owned vehicles, hired or leased vehicles, non-owned vehicles, and borrowed and permissive uses, with minimum coverage amounts for bodily injury or property damage of not less than one million dollars (\$1,000,000) per occurrence.
 3. Workers' compensation insurance, as required by law. Notwithstanding subdivision (b) of Section 3700 of the Labor Code, a certificate of self-insurance obtained pursuant to that subdivision does not satisfy this requirement.
 4. Employer's liability insurance, with minimum coverage amounts for bodily injury or disease of not less than one hundred thousand dollars (\$100,000) per occurrence.
 5. Professional liability and errors and omissions insurance that includes an endorsement for contractual liability, with minimum coverage amounts of one million dollars (\$1,000,000) per occurrence and two million dollars (\$2,000,000) aggregate. If applicable, the contract shall include an endorsement for defense and indemnification of any government entity with which the licensee has contracted.
- C. Licensed residential SUD recovery or treatment facilities that serve six or fewer residents, shall have and maintain, at all times, general liability insurance coverage.
- D. Licensed residential SUD recovery or treatment facilities shall maintain records demonstrating compliance with Health and Safety Code section 11834.10.
- E. Contractor shall supply County adequate proof of insurance and/or a certificate of insurance evidencing coverages and limits prior to commencement of work. Should any of the required insurance policies in this Agreement be cancelled or non-renewed, it is the Contractor's duty to notify County immediately upon receipt of the notice of cancellation or non-renewal.
- F. Failure to provide and maintain the insurance required by this Agreement will constitute a material breach of this Agreement. In addition to any other available remedies, County may suspend payment to the Contractor for any services provided during any time that insurance was not in effect and until such time as the Contractor provides adequate evidence that Contractor has obtained the required coverage.

It is understood and agreed that nothing contained in this Agreement shall be construed to impair the single state agency authority of DHCS.

5. Americans with Disabilities Act

Contractor agrees to ensure that deliverables developed and produced, pursuant to this Agreement shall comply with the accessibility requirements of Sections 7405 and 11135 of the California Government Code, Section 508 of the Rehabilitation Act of 1973 as amended (29 U.S.C. § 794d), regulations implementing the Rehabilitation Act of 1973 as set forth in Part 1194 of Title 36 of the Code of Federal Regulations, and the Americans with Disabilities Act of 1990 (42 U.S.C. § 12101 et seq.). In 1998, Congress amended the Rehabilitation Act of 1973 to require Federal agencies to make their electronic and information technology (EIT) accessible to people with disabilities. DHCS must adjust payments to remove costs that are specific to any State program or activity receiving FFP that is no longer authorized by law. If Contractor works on a State program or activity receiving FFP that is no longer authorized by law after the date the legal authority for the work ends, Contractor will not be paid for that

work. If DHCS has paid Contractor in advance to work on a no-longer-authorized State program or activity receiving FFP and under the terms of this contract the work was to be performed after the date the legal authority ended, the payment for that work should be returned to DHCS. However, if Contractor worked on a State program or activity receiving FFP prior to the date legal authority ended for that State program or activity, and DHCS included the cost of performing that work in its payments to Contractor, Contractor may keep the payment for that work even if the payment was made after the date the State program or activity receiving FFP lost legal authority.

8. Executive Order N-6-22 – Russia Sanctions

On March 4, 2022, Governor Gavin Newsom issued [Executive Order N-6-22](#) (the EO) regarding Economic Sanctions against Russia and Russian entities and individuals. “Economic Sanctions” refers to sanctions imposed by the U.S. government in response to Russia’s actions in Ukraine, as well as any sanctions imposed under state law. The EO directs state agencies to terminate contracts with, and to refrain from entering any new contracts with, individuals or entities that are determined to be a target of Economic Sanctions. Accordingly, should the State determine Contractor is a target of Economic Sanctions or is conducting prohibited transactions with sanctioned individuals or entities, that will be grounds for termination of this agreement. The State must provide Contractor advance written notice of such termination, allowing Contractor at least 30 calendar days to provide a written response. Termination will be at the sole discretion of the State.

2. Under DMC-ODS, free choice of providers is restricted. That is, beneficiaries enrolled in this program shall receive DMC-ODS services through the Contractor, operating as a PIHP. Based on this service delivery model, the Department has requested, and Centers for Medicare & Medicaid Services (CMS) has granted approval to waive certain 42 CFR Part 438 provisions identified on pages 12-15 of the CalAIM 1915(b) Waiver Approved Application.

If a beneficiary withdraws from treatment prior to establishing a DSM diagnosis for Substance-Related and Addictive Disorders, and later returns, the 30-day time period starts over. The initial assessment shall be performed face-to-face or, by telehealth (synchronous audio and video), or by telephone (synchronous audio-only) by an LPHA or registered or certified counselor and may be done in the community or the home. MAT may be provided in clinical or non-clinical settings and can be delivered as a standalone service or as a service delivered as part of a level of care listed in Article III.D.4 of this Agreement.
2. When MAT is being provided as a standalone service, MAT includes the following components: assessment; care coordination; counseling (individual and group counseling); family therapy; medication services; patient education; prescribing and monitoring for MAT for OUD and AUD and non-opioid SUDs which is prescribing, administering, dispensing, ordering, monitoring, and/or managing the medications used for MAT for OUD, AUD and non-opioid SUDs; recovery services; SUD crisis intervention services; and withdrawal management services.
3. The Contractor shall require that all DMC-ODS providers, at all levels of care, demonstrate that they either directly offer or have an effective referral mechanisms/process to MAT to beneficiaries with SUD diagnoses that are treatable with Food and Drug administration (FDA)-approved medications and biological products. An effective referral mechanism/process is defined as facilitating access to MAT off-site for beneficiaries while they are receiving treatment services if not provided on-site. Providing a beneficiary the contact information for a treatment program is insufficient. A facilitated referral to any Medi-Cal provider rendering MAT to the beneficiary is compliant whether or not they seek reimbursement through DMC-ODS. Beneficiaries needing or utilizing MAT shall be served and cannot be denied treatment services or be required to be tapered off medications as a condition of entering or remaining in the program. The Contractor shall monitor the referral process or provision of MAT services.

If the Contractor makes this election, the Contractor may reimburse providers for the medications, including naloxone, trans-mucosal buprenorphine, and/or long-acting injectable medications (such as buprenorphine or naltrexone), administered in DMC facilities, and non-clinical or community settings. However, even if the Contractor does not choose to cover the drug product costs for MAT outside of the pharmacy or NTP benefit, the Contractor shall still be required to reimburse for MAT services even when provided by DMC-ODS providers in non-clinical settings and when provided as a standalone service.
5. All medications and biological products utilized to treat SUDs, including long-acting injectables, continue to be available through the Medi-Cal pharmacy benefit without prior authorization, and can be delivered to provider offices by pharmacies.
6. Beneficiaries needing or utilizing MAT shall be served and cannot be denied treatment services or be required to decrease dosage or be tapered off medications as a condition of entering or remaining in the program. DMC-ODS providers offering MAT shall not deny access to medication or administratively discharge a beneficiary who declines counseling services. For patients with lack of connection to psychosocial services, more rigorous attempts at engagement in care may be indicated, such as using different evidence-based practices, different modalities (e.g., telehealth), different staff, and/or different services (e.g., Medi-Cal Peer Support Services). If the DMC-ODS provider is not capable of continuing to treat the beneficiary, the DMC-ODS provider shall assist the member in choosing another MAT provider, ensure continuity of care, and facilitate a warm hand-off to ensure engagement.

B. Dispute Resolution Process

1. In the event of a dispute under Exhibit A, Attachment I, Article III other than an audit dispute, Contractor shall provide written notice of the particulars of the dispute to DHCS before exercising any other available remedy. Written notice shall include the Agreement number. The Director (or designee) of DHCS and the County Drug or Alcohol Program Administrator (or designee) shall meet to discuss the means by which they can effect an equitable resolution to the dispute. Contractor shall receive a written response from DHCS within 60 days of the notice of dispute. The written response shall reflect the issues discussed at the meeting and state how the dispute will be resolved.
2. As stated in Part III, Section 2, of this Exhibit, in the event of a dispute over financial audit findings between DHCS and the Contractor, Contractor may appeal the audit in accordance with Exhibit A, Attachment I and Division 9, Part 3, Chapter 7, Article 5.3 of the W&I Code. Contractor shall include a provision in its subcontracts regarding the process by which a subcontractor may file an audit appeal via the Contractor.
3. Contractors that conduct financial audits of subcontractors, other than a subcontractor whose funding consists entirely of non-Department funds, shall develop a process to resolve disputed financial findings and notify subcontractors of their appeal rights pursuant to that process. This section shall not apply to those grievances or compliances arising from the financial findings of an audit or examination made by or on behalf of DHCS pursuant to Part III of this Exhibit.
4. To ensure that necessary corrective actions are taken, financial audit findings are either uncontested or upheld after appeal may be used by DHCS during prospective agreement negotiations.

- a. The Contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, national origin, physical or mental handicap, disability, age or status as a disabled veteran or veteran of the Vietnam era. The Contractor will take affirmative action to ensure that qualified applicants are employed, and that employees are treated during employment, without regard to their race, color, religion, sex, national origin, physical or mental handicap, disability, age or status as a disabled veteran or veteran of the Vietnam era. Such action shall include, but not be limited to the following: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and career development opportunities and selection for training, including apprenticeship. The Contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the Federal Government or DHCS, setting forth the provisions of the Equal Opportunity clause, Section 503 of the Rehabilitation Act of 1973 and the affirmative action clause required by the Vietnam Era Veterans' Readjustment Assistance Act of 1974 (38 U.S.C. 4212). Such notices shall state the Contractor's obligation under the law to take affirmative action to employ and advance in employment qualified applicants without discrimination based on their race, color, religion, sex, national origin physical or mental handicap, disability, age or status as a disabled veteran or veteran of the Vietnam era and the rights of applicants and employees.
- b. The Contractor will, in all solicitations or advancements for employees placed by or on behalf of the Contractor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, national origin physical or mental handicap, disability, age or status as a disabled veteran or veteran of the Vietnam era.
- c. The Contractor will send to each labor union or representative of workers with which it has a collective bargaining agreement or other contract or understanding a notice, to be provided by the Federal Government or the State, advising the labor union or workers' representative of the Contractor's commitments under the provisions herein and shall post copies of the notice in conspicuous places available to employees and applicants for employment.
- d. The Contractor will comply with all provisions of and furnish all information and reports required by Section 503 of the Rehabilitation Act of 1973, as amended, the Vietnam Era Veterans' Readjustment Assistance Act of 1974 (38 U.S.C. 4212) and of the Federal Executive Order No. 11246 as amended, including by Executive Order 11375, 'Amending Executive Order 11246 Relating to Equal Employment Opportunity,' and as supplemented by regulation at 41 CFR part 60, "Office of the Federal Contract Compliance Programs, Equal Employment

Opportunity, Department of Labor,” and of the rules, regulations, and relevant orders of the Secretary of Labor.

- e. The Contractor will furnish all information and reports required by Federal Executive Order No. 11246 as amended, including by Executive Order 11375, ‘Amending Executive Order 11246 Relating to Equal Employment Opportunity,’ and as supplemented by regulation at 41 CFR part 60, “Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor,” and the Rehabilitation Act of 1973, and by the rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to its books, records, and accounts by the State and its designated representatives and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.
- f. In the event of the Contractor's noncompliance with the requirements of the provisions herein or with any federal rules, regulations, or orders which are referenced herein, this Agreement may be cancelled, terminated, or suspended in whole or in part and the Contractor may be declared ineligible for further federal and state contracts in accordance with procedures authorized in Federal Executive Order No. 11246 as amended and such other sanctions may be imposed and remedies invoked as provided in Federal Executive Order No. 11246 as amended, including by Executive Order 11375, ‘Amending Executive Order 11246 Relating to Equal Employment Opportunity,’ and as supplemented by regulation at 41 CFR part 60, “Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor,” or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.
- g. The Contractor will include the provisions of Paragraphs a through g in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to Federal Executive Order No. 11246 as amended, including by Executive Order 11375, ‘Amending Executive Order 11246 Relating to Equal Employment Opportunity,’ and as supplemented by regulation at 41 CFR part 60, “Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor,” or Section 503 of the Rehabilitation Act of 1973 or (38 U.S.C. 4212) of the Vietnam Era Veteran's Readjustment Assistance Act, so that such provisions will be binding upon each subcontractor or vendor. The Contractor will take such action with respect to any subcontract or purchase order as the Director of the Office of Federal Contract Compliance Programs or DHCS may direct as a means of enforcing such provisions including sanctions for noncompliance provided, however, that in the event the Contractor becomes involved in, or is threatened with litigation by a subcontractor or vendor as a result of such direction by DHCS, the Contractor may request in writing to DHCS, who, in turn, may request the United States to enter into such litigation to protect the interests of the State and of the United States.

Exceptions to CalHR rates may be approved by DHCS upon the submission of a statement by the Contractor indicating that such rates are not available to the Contractor. No travel outside the State of California shall be reimbursed without prior authorization from DHCS. Verbal authorization should be confirmed in writing. Written authorization may be in a form including fax or email confirmation.

 - c. Unless otherwise stipulated, DHCS shall be under no obligation to pay the cost of restoration, or rehabilitation of the Contractor's and/or Subcontractor's facility which may be affected by the removal of any state equipment and/or property.
 - d. The Contractor and/or Subcontractor shall maintain and administer a sound business program for ensuring the proper use, maintenance, repair, protection, insurance and preservation of state equipment and/or property.
- (1) In administering this provision, DHCS may require the Contractor and/or Subcontractor to repair or replace, to DHCS' satisfaction, any damaged, lost

(Government Code Section 8546.7, Public Contract Code (PCC) Sections 10115 et seq., Code of California Regulations Title 2, Section 1896.77.) The Contractor shall comply with the above and be aware of the penalties for violations of fraud and for obstruction of investigation as set forth in PCC Section 10115.10.
- d. The Contractor and/or Subcontractor shall preserve and make available his/her records (1) for a period of six years for all records related to Disabled Veteran Business Enterprise (DVBE) participation (Military and Veterans Code 999.55), if this Agreement involves DVBE participation, and three years for all other contract records from the date of final payment under this Agreement, and (2) for such longer period, if any, as is required by applicable statute, by any other provision of this Agreement, or by subparagraphs (1) or (2) below.
 - (1) If this Agreement is completely or partially terminated, the records relating to the work terminated shall be preserved and made available for a period of three years from the date of any resulting final settlement.
 - (2) If any litigation, claim, negotiation, audit, or other action involving the records has been started before the expiration of the three-year period, the records shall be retained until completion of the action and resolution of all issues which arise from it, or until the end of the regular three-year period, whichever is later.
- e. The Contractor and/or Subcontractor may, at its discretion, following receipt of final payment under this Agreement, reduce its accounts, books and records related to this Agreement to microfilm, computer disk, CD ROM, DVD, or other

data storage medium. Upon request by an authorized representative to inspect, audit or obtain copies of said records, the Contractor and/or Subcontractor must supply or make available applicable devices, hardware, and/or software necessary to view, copy and/or print said records. Applicable devices may include, but are not limited to, microfilm readers and microfilm printers, etc.

8. Site Inspection

The State, through any authorized representatives, has the right at all reasonable times to inspect or otherwise evaluate the work performed or being performed hereunder including subcontract supported activities and the premises in which it is being performed. If any inspection or evaluation is made of the premises of the Contractor or Subcontractor, the Contractor shall provide and shall require Subcontractors to provide all reasonable facilities and assistance for the safety and convenience of the authorized representatives in the performance of their duties. All inspections and evaluations shall be performed in such a manner as will not unduly delay the work.

9. Federal Contract Funds

(Applicable only to that portion of an agreement funded in part or whole with federal funds.)

- a. It is mutually understood between the parties that this Agreement may have been written before ascertaining the availability of congressional appropriation of funds, for the mutual benefit of both parties, in order to avoid program and fiscal delays which would occur if the Agreement were executed after that determination was made.
- b. This agreement is valid and enforceable only if sufficient funds are made available to the State by the United States Government for the fiscal years covered by the term of this Agreement. In addition, this Agreement is subject to any additional restrictions, limitations, or conditions enacted by the Congress or any statute enacted by the Congress which may affect the provisions, terms or funding of this Agreement in any manner.
- c. It is mutually agreed that if the Congress does not appropriate sufficient funds for the program, this Agreement shall be amended to reflect any reduction in funds.
- d. DHCS has the option to invalidate or cancel the Agreement with 30-days advance written notice or to amend the Agreement to reflect any reduction in funds.

10. Termination

- a. **For Cause**

The State may terminate this Agreement, in whole or in part, and be relieved of any payments should the Contractor fail to perform the requirements of this Agreement at the time and in the manner herein provided. In the event of such termination, the State may proceed with the work in any manner deemed proper by the State. All costs to the State shall be deducted from any sum due the Contractor under this Agreement and the balance, if any, shall be paid to the Contractor upon demand. If this Agreement is terminated, in whole or in part, the State may require the Contractor to transfer title, or in the case of licensed software, license, and deliver to the State any completed deliverables, partially completed deliverables, and any other materials, related to the terminated portion of the Contract, including but not limited to, computer programs, data files, user and operations manuals, system and program documentation, training programs related to the operation and maintenance of the system, and all information necessary for the reimbursement of any outstanding Medicaid claims. The State shall pay contract price for completed deliverables delivered and accepted and items the State requires the Contractor to transfer as described in this paragraph above.

b. For Convenience

The State retains the option to terminate this Agreement, in whole or in part, without cause, at the State's convenience, without penalty, provided that written notice has been delivered to the Contractor at least ninety (90) calendar days prior to such termination date. In the event of termination, in whole or in part, under this paragraph, the State may require the Contractor to transfer title, or in the case of licensed software, license, and deliver to the State any completed deliverables, partially completed deliverables, and any other materials related to the terminated portion of the contract including but not limited to, computer programs, data files, user and operations manuals, system and program documentation, training programs related to the operation and maintenance of the system, and all information necessary for the reimbursement of any outstanding Medicaid claims. The Contractor will be entitled to compensation upon submission of an invoice and proper proof of claim for the services and products satisfactorily rendered, subject to all payment provisions of the Agreement. Payment is limited to expenses necessarily incurred pursuant to this Agreement up to the date of termination.

11. Intellectual Property Rights

a. Ownership

(1) Except where DHCS has agreed in a signed writing to accept a license, DHCS shall be and remain, without additional compensation, the sole owner of any and all rights, title and interest in all Intellectual Property, from the moment of creation, whether or not jointly conceived, that are made, conceived, derived from, or reduced to practice by Contractor or DHCS and which result directly or indirectly from this Agreement.

- (2) For the purposes of this Agreement, Intellectual Property means recognized protectable rights and interest such as: patents, (whether or not issued) copyrights, trademarks, service marks, applications for any of the foregoing, inventions, trade secrets, trade dress, logos, insignia, color combinations, slogans, moral rights, right of publicity, author's rights, contract and licensing rights, works, mask works, industrial design rights, rights of priority, know how, design flows, methodologies, devices, business processes, developments, innovations, good will and all other legal rights protecting intangible proprietary information as may exist now and/or here after come into existence, and all renewals and extensions, regardless of whether those rights arise under the laws of the United States, or any other state, country or jurisdiction.
- (a) For the purposes of the definition of Intellectual Property, "works" means all literary works, writings and printed matter including the medium by which they are recorded or reproduced, photographs, art work, pictorial and graphic representations and works of a similar nature, film, motion pictures, digital images, animation cells, and other audiovisual works including positives and negatives thereof, sound recordings, tapes, educational materials, interactive videos and any other materials or products created, produced, conceptualized and fixed in a tangible medium of expression. It includes preliminary and final products and any materials and information developed for the purposes of producing those final products. Works does not include articles submitted to peer review or reference journals or independent research projects.
- (3) In the performance of this Agreement, Contractor will exercise and utilize certain of its Intellectual Property in existence prior to the effective date of this Agreement. In addition, under this Agreement, Contractor may access and utilize certain of DHCS' Intellectual Property in existence prior to the effective date of this Agreement. Except as otherwise set forth herein, Contractor shall not use any of DHCS' Intellectual Property now existing or hereafter existing for any purposes without the prior written permission of DHCS. Except as otherwise set forth herein, neither the Contractor nor DHCS shall give any ownership interest in or rights to its Intellectual Property to the other Party. If during the term of this Agreement, Contractor accesses any third-party Intellectual Property that is licensed to DHCS, Contractor agrees to abide by all license and confidentiality restrictions applicable to DHCS in the third-party's license agreement.
- (4) Contractor agrees to cooperate with DHCS in establishing or maintaining DHCS' exclusive rights in the Intellectual Property, and in assuring DHCS' sole rights against third parties with respect to the Intellectual Property. If the Contractor enters into any agreements or subcontracts with other parties in order to perform this Agreement, Contractor shall require the terms of the Agreement(s) to include all Intellectual Property provisions. Such terms must include, but are not limited to, the subcontractor assigning and agreeing to assign to DHCS all rights, title and interest in Intellectual Property made,

conceived, derived from, or reduced to practice by the subcontractor, Contractor or DHCS and which result directly or indirectly from this Agreement or any subcontract.

- (5) Contractor further agrees to assist and cooperate with DHCS in all reasonable respects, and execute all documents and, subject to reasonable availability, give testimony and take all further acts reasonably necessary to acquire, transfer, maintain, and enforce DHCS' Intellectual Property rights and interests.

b. Retained Rights / License Rights

- (1) Except for Intellectual Property made, conceived, derived from, or reduced to practice by Contractor or DHCS and which result directly or indirectly from this Agreement, Contractor shall retain title to all of its Intellectual Property to the extent such Intellectual Property is in existence prior to the effective date of this Agreement. Contractor hereby grants to DHCS, without additional compensation, a permanent, non-exclusive, royalty free, paid-up, worldwide, irrevocable, perpetual, non-terminable license to use, reproduce, manufacture, sell, offer to sell, import, export, modify, publicly and privately display/perform, distribute, and dispose Contractor's Intellectual Property with the right to sublicense through multiple layers, for any purpose whatsoever, to the extent it is incorporated in the Intellectual Property resulting from this Agreement, unless Contractor assigns all rights, title and interest in the Intellectual Property as set forth herein.
- (2) Nothing in this provision shall restrict, limit, or otherwise prevent Contractor from using any ideas, concepts, know-how, methodology or techniques related to its performance under this Agreement, provided that Contractor's use does not infringe the patent, copyright, trademark rights, license or other Intellectual Property rights of DHCS or third party, or result in a breach or default of any provisions of this Exhibit or result in a breach of any provisions of law relating to confidentiality.

c. Copyright

- (1) Contractor agrees that for purposes of copyright law, all works [as defined in Paragraph a, subparagraph (2)(a) of this provision] of authorship made by or on behalf of Contractor in connection with Contractor's performance of this Agreement shall be deemed "works made for hire". Contractor further agrees that the work of each person utilized by Contractor in connection with the performance of this Agreement will be a "work made for hire," whether that person is an employee of Contractor or that person has entered into an agreement with Contractor to perform the work. Contractor shall enter into a written agreement with any such person that: (i) all work performed for Contractor shall be deemed a "work made for hire" under the Copyright Act and (ii) that person shall assign all right, title, and interest to DHCS to any work product made, conceived, derived from, or reduced to practice by

Contractor or DHCS and which result directly or indirectly from this Agreement.

- (2) All materials, including, but not limited to, visual works or text, reproduced or distributed pursuant to this Agreement that include Intellectual Property made, conceived, derived from, or reduced to practice by Contractor or DHCS and which result directly or indirectly from this Agreement, shall include DHCS' notice of copyright, which shall read in 3mm or larger typeface: "© [Enter Current Year e.g., 2010, etc.], California Department of Health Care Services. This material may not be reproduced or disseminated without prior written permission from the California Department of Health Care Services." This notice should be placed prominently on the materials and set apart from other matter on the page where it appears. Audio productions shall contain a similar audio notice of copyright.

d. Patent Rights

With respect to inventions made by Contractor in the performance of this Agreement, which did not result from research and development specifically included in the Agreement's scope of work, Contractor hereby grants to DHCS a license as described under Section b of this provision for devices or material incorporating, or made through the use of such inventions. If such inventions result from research and development work specifically included within the Agreement's scope of work, then Contractor agrees to assign to DHCS, without additional compensation, all its right, title and interest in and to such inventions and to assist DHCS in securing United States and foreign patents with respect thereto.

e. Third-Party Intellectual Property

Except as provided herein, Contractor agrees that its performance of this Agreement shall not be dependent upon or include any Intellectual Property of Contractor or third party without first: (i) obtaining DHCS' prior written approval; and (ii) granting to or obtaining for DHCS, without additional compensation, a license, as described in Section b of this provision, for any of Contractor's or third-party's Intellectual Property in existence prior to the effective date of this Agreement. If such a license upon the these terms is unattainable, and DHCS determines that the Intellectual Property should be included in or is required for Contractor's performance of this Agreement, Contractor shall obtain a license under terms acceptable to DHCS.

f. Warranties

(1) Contractor represents and warrants that:

(a) It is free to enter into and fully perform this Agreement.

(b) It has secured and will secure all rights and licenses necessary for its performance of this Agreement.

- (c) Neither Contractor's performance of this Agreement, nor the exercise by either Party of the rights granted in this Agreement, nor any use, reproduction, manufacture, sale, offer to sell, import, export, modification, public and private display/performance, distribution, and disposition of the Intellectual Property made, conceived, derived from, or reduced to practice by Contractor or DHCS and which result directly or indirectly from this Agreement will infringe upon or violate any Intellectual Property right, non-disclosure obligation, or other proprietary right or interest of any third-party or entity now existing under the laws of, or hereafter existing or issued by, any state, the United States, or any foreign country. There is currently no actual or threatened claim by any such third party based on an alleged violation of any such right by Contractor.
 - (d) Neither Contractor's performance nor any part of its performance will violate the right of privacy of, or constitute a libel or slander against any person or entity.
 - (e) It has secured and will secure all rights and licenses necessary for Intellectual Property including, but not limited to, consents, waivers or releases from all authors of music or performances used, and talent (radio, television and motion picture talent), owners of any interest in and to real estate, sites, locations, property or props that may be used or shown.
 - (f) It has not granted and shall not grant to any person or entity any right that would or might derogate, encumber, or interfere with any of the rights granted to DHCS in this Agreement.
 - (g) It has appropriate systems and controls in place to ensure that state funds will not be used in the performance of this Agreement for the acquisition, operation or maintenance of computer software in violation of copyright laws.
 - (h) It has no knowledge of any outstanding claims, licenses or other charges, liens, or encumbrances of any kind or nature whatsoever that could affect in any way Contractor's performance of this Agreement.
- (2) DHCS makes no warranty that the intellectual property resulting from this agreement does not infringe upon any patent, trademark, copyright or the like, now existing or subsequently issued.

g. Intellectual Property Indemnity

- (1) Contractor shall indemnify, defend and hold harmless DHCS and its licensees and assignees, and its officers, directors, employees, agents, representatives, successors, and users of its products, ("Indemnitees") from and against all claims, actions, damages, losses, liabilities (or actions or proceedings with respect to any thereof), whether or not rightful, arising from any and all actions or claims by any third party or expenses related thereto (including, but

not limited to, all legal expenses, court costs, and attorney's fees incurred in investigating, preparing, serving as a witness in, or defending against, any such claim, action, or proceeding, commenced or threatened) to which any of the Indemnitees may be subject, whether or not Contractor is a party to any pending or threatened litigation, which arise out of or are related to (i) the incorrectness or breach of any of the representations, warranties, covenants or agreements of Contractor pertaining to Intellectual Property; or (ii) any Intellectual Property infringement, or any other type of actual or alleged infringement claim, arising out of DHCS' use, reproduction, manufacture, sale, offer to sell, distribution, import, export, modification, public and private performance/display, license, and disposition of the Intellectual Property made, conceived, derived from, or reduced to practice by Contractor or DHCS and which result directly or indirectly from this Agreement. This indemnity obligation shall apply irrespective of whether the infringement claim is based on a patent, trademark or copyright registration that issued after the effective date of this Agreement. DHCS reserves the right to participate in and/or control, at Contractor's expense, any such infringement action brought against DHCS.

- (2) Should any Intellectual Property licensed by the Contractor to DHCS under this Agreement become the subject of an Intellectual Property infringement claim, Contractor will exercise its authority reasonably and in good faith to preserve DHCS' right to use the licensed Intellectual Property in accordance with this Agreement at no expense to DHCS. DHCS shall have the right to monitor and appear through its own counsel (at Contractor's expense) in any such claim or action. In the defense or settlement of the claim, Contractor may obtain the right for DHCS to continue using the licensed Intellectual Property; or, replace or modify the licensed Intellectual Property so that the replaced or modified Intellectual Property becomes non-infringing provided that such replacement or modification is functionally equivalent to the original licensed Intellectual Property. If such remedies are not reasonably available, DHCS shall be entitled to a refund of all monies paid under this Agreement, without restriction or limitation of any other rights and remedies available at law or in equity.
- (3) Contractor agrees that damages alone would be inadequate to compensate DHCS for breach of any term of this Intellectual Property Exhibit by Contractor. Contractor acknowledges DHCS would suffer irreparable harm in the event of such breach and agrees DHCS shall be entitled to obtain equitable relief, including without limitation an injunction, from a court of competent jurisdiction, without restriction or limitation of any other rights and remedies available at law or in equity.

h. Federal Funding

In any agreement funded in whole or in part by the federal government, DHCS may acquire and maintain the Intellectual Property rights, title, and ownership, which results directly or indirectly from the Agreement; except as provided in 37

Code of Federal Regulations part 401.14; however, the federal government shall have a non-exclusive, nontransferable, irrevocable, paid-up license throughout the world to use, duplicate, or dispose of such Intellectual Property throughout the world in any manner for governmental purposes and to have and permit others to do so.

i. **Survival**

The provisions set forth herein shall survive any termination or expiration of this Agreement or any project schedule.

12. Air or Water Pollution Requirements

Any federally funded agreement and/or subcontract in excess of \$100,000 must comply with the following provisions unless said agreement is exempt by law.

- b. Institutions of higher education, hospitals, nonprofit organizations and commercial businesses agree to comply with all applicable standards, orders, or requirements issued under the Clean Air Act (42 U.S.C. 7401 et seq.), as amended, and the Clean Water Act (33 U.S.C. 1251 et seq.), as amended.

13. Prior Approval of Training Seminars, Workshops or Conferences

Contractor shall obtain prior DHCS approval of the location, costs, dates, agenda, instructors, instructional materials, and attendees at any reimbursable training seminar, workshop, or conference conducted pursuant to this Agreement and of any reimbursable publicity or educational materials to be made available for distribution. The Contractor shall acknowledge the support of the State whenever publicizing the work under this Agreement in any media. This provision does not apply to necessary staff meetings or training sessions held for the staff of the Contractor or Subcontractor to conduct routine business matters.

14. Confidentiality of Information

- a. The Contractor and its employees, agents, or subcontractors shall protect from unauthorized disclosure names and other identifying information concerning persons either receiving services pursuant to this Agreement or persons whose names or identifying information become available or are disclosed to the Contractor, its employees, agents, or subcontractors as a result of services performed under this Agreement, except for statistical information not identifying any such person.
- b. The Contractor and its employees, agents, or subcontractors shall not use such identifying information for any purpose other than carrying out the Contractor's obligations under this Agreement.
- c. The Contractor and its employees, agents, or subcontractors shall promptly transmit to the DHCS Program Contract Manager all requests for disclosure of such identifying information not emanating from the client or person.
- d. The Contractor shall not disclose, except as otherwise specifically permitted by this Agreement or authorized by the client, any such identifying information to anyone other than DHCS without prior written authorization from the DHCS Program Contract Manager, except if disclosure is required by State or Federal law.

- e. For purposes of this provision, identity shall include, but not be limited to name, identifying number, symbol, or other identifying particular assigned to the individual, such as finger or voice print or a photograph.
- f. As deemed applicable by DHCS, this provision may be supplemented by additional terms and conditions covering personal health information (PHI) or personal, sensitive, and/or confidential information (PSCI). Said terms and conditions will be outlined in one or more exhibits that will either be attached to this Agreement or incorporated into this Agreement by reference.

15. Documents, Publications and Written Reports

Any document, publication or written report (excluding progress reports, financial reports and normal contractual communications) prepared as a requirement of this Agreement shall contain, in a separate section preceding the main body of the document, the number and dollar amounts of all contracts or agreements and subcontracts relating to the preparation of such document or report, if the total cost for work by nonemployees of the State exceeds \$5,000.

16. Dispute Resolution Process

- a. A Contractor grievance exists whenever there is a dispute arising from DHCS' action in the administration of an agreement. If there is a dispute or grievance between the Contractor and DHCS, the Contractor must seek resolution using the procedure outlined below.
 - (1) The Contractor should first informally discuss the problem with the DHCS Program Contract Manager. If the problem cannot be resolved informally, the Contractor shall direct its grievance together with any evidence, in writing, to the program Branch Chief. The grievance shall state the issues in dispute, the legal authority or other basis for the Contractor's position and the remedy sought. The Branch Chief shall render a decision within ten (10) working days after receipt of the written grievance from the Contractor. The Branch Chief shall respond in writing to the Contractor indicating the decision and reasons therefore. If the Contractor disagrees with the Branch Chief's decision, the Contractor may appeal to the second level.
 - (2) When appealing to the second level, the Contractor must prepare an appeal indicating the reasons for disagreement with Branch Chief's decision. The Contractor shall include with the appeal a copy of the Contractor's original statement of dispute along with any supporting evidence and a copy of the Branch Chief's decision. The appeal shall be addressed to the Deputy Director of the division in which the branch is organized within ten (10) working days from receipt of the Branch Chief's decision. The Deputy Director of the division in which the branch is organized or his/her designee shall meet with the Contractor to review the issues raised. A written decision signed by

the Deputy Director of the division in which the branch is organized or his/her designee shall be directed to the Contractor within twenty (20) working days of receipt of the Contractor's second level appeal.

- b. If the Contractor wishes to appeal the decision of the Deputy Director of the division in which the branch is organized or his/her designee, the Contractor shall follow the procedures set forth in Health and Safety Code Section 100171.
- c. Unless otherwise stipulated in writing by DHCS, all dispute, grievance and/or appeal correspondence shall be directed to the DHCS Program Contract Manager.
- d. There are organizational differences within DHCS' funding programs and the management levels identified in this dispute resolution provision may not apply in every contractual situation. When a grievance is received and organizational differences exist, the Contractor shall be notified in writing by the DHCS Program Contract Manager of the level, name, and/or title of the appropriate management official that is responsible for issuing a decision at a given level.

17. Financial and Compliance Audit Requirements

- a. The definitions used in this provision are contained in Section 38040 of the Health and Safety Code, which by this reference is made a part hereof.
- b. Direct service contract means a contract or agreement for services contained in local assistance or subvention programs or both (see Health and Safety [H&S] Code Section 38020). Direct service contracts shall not include contracts, agreements, grants, or subventions to other governmental agencies or units of government nor contracts or agreements with regional centers or area agencies on aging (H&S Code Section 38030).
- c. The Contractor, as indicated below, agrees to obtain one of the following audits:
 - (1) ***If the Contractor is a nonprofit organization (as defined in H&S Code Section 38040) and receives \$25,000 or more from any State agency under a direct service contract or agreement;*** the Contractor agrees to obtain an annual single, organization wide, financial and compliance audit. Said audit shall be conducted according to Generally Accepted Auditing Standards. This audit does not fulfill the audit requirements of Paragraph c(3) below. The audit shall be completed by the 15th day of the fifth month following the end of the Contractor's fiscal year, **and/or**
 - (2) ***If the Contractor is a nonprofit organization (as defined in H&S Code Section 38040) and receives less than \$25,000 per year from any State agency under a direct service contract or agreement,*** the Contractor agrees to obtain a biennial single, organization wide financial and compliance audit, unless there is evidence of fraud or other violation of state law in connection with this Agreement. This audit does not fulfill the audit requirements of Paragraph c(3) below. The audit shall be completed by the 15th day of the

fifth month following the end of the Contractor's fiscal year, **and/or**

- (3) ***If the Contractor is a State or Local Government entity or Nonprofit organization and expends \$750,000 or more in Federal awards,*** the Contractor agrees to obtain an annual single, organization wide, financial and compliance audit according to the requirements specified in 2 C.F.R. 200.501 entitled "Audit Requirements". An audit conducted pursuant to this provision will fulfill the audit requirements outlined in Paragraphs c(1) and c(2) above. The audit shall be completed by the end of the ninth month following the end of the audit period. The requirements of this provision apply if:
- (a) The Contractor is a recipient expending Federal awards received directly from Federal awarding agencies, or
 - (b) The Contractor is a subrecipient expending Federal awards received from a pass-through entity such as the State, County or community based organization.
- (4) If the Contractor submits to DHCS a report of an audit other than a 2 C.F.R. 200.501 audit, the Contractor must also submit a certification indicating the Contractor has not expended \$750,000 or more in federal funds for the year covered by the audit report.
- d. Two copies of the audit report shall be delivered to the DHCS program funding this Agreement. The audit report must identify the Contractor's legal name and the number assigned to this Agreement. The audit report shall be due within 30 days after the completion of the audit. Upon receipt of said audit report, the DHCS Program Contract Manager shall forward the audit report to DHCS' Audits and Investigations Unit if the audit report was submitted under Section 16.c(3), unless the audit report is from a City, County, or Special District within the State of California whereby the report will be retained by the funding program.
 - e. The cost of the audits described herein may be included in the funding for this Agreement up to the proportionate amount this Agreement represents of the Contractor's total revenue. The DHCS program funding this Agreement must provide advance written approval of the specific amount allowed for said audit expenses.
 - f. The State or its authorized designee, including the Bureau of State Audits, is responsible for conducting agreement performance audits which are not financial and compliance audits. Performance audits are defined by Generally Accepted Government Auditing Standards.
 - g. Nothing in this Agreement limits the State's responsibility or authority to enforce State law or regulations, procedures, or reporting requirements arising thereto.
 - h. Nothing in this provision limits the authority of the State to make audits of this Agreement, provided however, that if independent audits arranged for by the Contractor meet Generally Accepted Governmental Auditing Standards, the State shall rely on those audits and any additional audit work and shall build upon the work already done.

- i. The State may, at its option, direct its own auditors to perform either of the audits described above. The Contractor will be given advance written notification, if the State chooses to exercise its option to perform said audits.
- j. The Contractor shall include a clause in any agreement the Contractor enters into with the audit firm doing the single organization wide audit to provide access by the State or Federal Government to the working papers of the independent auditor who prepares the single organization wide audit for the Contractor.
- k. Federal or state auditors shall have "expanded scope auditing" authority to conduct specific program audits during the same period in which a single organization wide audit is being performed, but the audit report has not been issued. The federal or state auditors shall review and have access to the current audit work being conducted and will not apply any testing or review procedures which have not been satisfied by previous audit work that has been completed.

The term "expanded scope auditing" is applied and defined in the U.S. General Accounting Office (GAO) issued Standards for *Audit of Government Organizations, Programs, Activities and Functions*, better known as the "yellow book".

DHCS may review and consider the proposal, consult and negotiate with the Contractor, and accept or reject all or part of the proposal. Acceptance or rejection of the proposal may be made orally within the 60-day period and confirmed in writing within five days of said decision. Upon written acceptance of the proposal, DHCS will initiate an amendment to this Agreement to formally implement the approved proposal.

 - (7) Will include a clause entitled, "Debarment and Suspension Certification" that essentially sets forth the provisions herein, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.
- c. If the Contractor is unable to certify to any of the statements in this certification, the Contractor shall submit an explanation to the DHCS Program Contract Manager.
- d. The terms and definitions herein have the meanings set out in 2 CFR Part 180 as supplemented by 2 CFR Part 376.

(Applicable to federally funded agreements/grants and subcontracts/subawards, that provide health, day care, early childhood development services, education or library services to children under 18 directly or through local governments.)

- a. Public Law 103-227, also known as the Pro-Children Act of 1994 (Act), requires that smoking not be permitted in any portion of any indoor facility owned or leased or contracted for by an entity and used routinely or regularly for the provision of health, day care, early childhood development services, education or library services to children under the age of 18, if the services are funded by federal programs either directly or through state or local governments, by federal grant, contract, loan, or loan guarantee. The law also applies to children's services that are provided in indoor facilities that are constructed, operated, or maintained with such federal funds. The law does not apply to children's services provided in private residences; portions of facilities used for inpatient drug or alcohol treatment; service providers whose sole source of applicable federal funds is Medicare or Medicaid; or facilities where WIC coupons are redeemed.
- b. Failure to comply with the provisions of the law may result in the imposition of a civil monetary penalty of up to \$1,000 for each violation and/or the imposition of an administrative compliance order on the responsible party.
- c. By signing this Agreement, Contractor or Grantee certifies that it will comply with the requirements of the Act and will not allow smoking within any portion of any indoor facility used for the provision of services for children as defined by the Act. The prohibitions herein are effective December 26, 1994.
- d. Contractor or Grantee further agrees that it will insert this certification into any subawards (subcontracts or subgrants) entered into that provide for children's services as described in the Act.

22. Drug Free Workplace Act of 1988

The Federal government implemented the Drug Free Workplace Act of 1988 in an attempt to address the problems of drug abuse on the job. It is a fact that employees who use drugs have less productivity, a lower quality of work, and a higher absenteeism, and are more likely to misappropriate funds or services. From this perspective, the drug abuser may endanger other employees, the public at large, or themselves. Damage to property, whether owned by this entity or not, could result from drug abuse on the job. All these actions might undermine public confidence in the services this entity provides. Therefore, in order to remain a responsible source for government contracts, the following guidelines have been adopted:

- a. The unlawful manufacture, distribution, dispensation, possession or use of a controlled substance is prohibited in the work place.
- b. Violators may be terminated or requested to seek counseling from an approved rehabilitation service.
- c. Employees must notify their employer of any conviction of a criminal drug statute no later than five days after such conviction.
- d. Although alcohol is not a controlled substance, it is nonetheless a drug. It is the policy that abuse of this drug will also not be tolerated in the workplace.
- e. Contractors of federal agencies are required to certify that they will provide drug-free workplaces for their employees.

23. Covenant Against Contingent Fees

(Applicable only to federally funded agreements.)

The Contractor warrants that no person or selling agency has been employed or retained to solicit/secure this Agreement upon an agreement of understanding for a commission, percentage, brokerage, or contingent fee, except *bona fide* employees or *bona fide* established commercial or selling agencies retained by the Contractor for the purpose of securing business. For breach or violation of this warranty, DHCS shall have the right to annul this Agreement without liability or in its discretion to deduct from the Agreement price or consideration, or otherwise recover, the full amount of such commission, percentage, and brokerage or contingent fee.

24. Payment Withholds

(Applicable only if a final report is required by this Agreement. Not applicable to government entities.)

Unless waived or otherwise stipulated in this Agreement, DHCS may, at its discretion, withhold 10 percent (10%) of the face amount of the Agreement, 50 percent (50%) of the final invoice, or \$3,000 whichever is greater, until DHCS receives a final report that meets the terms, conditions and/or scope of work requirements of this Agreement.

25. Performance Evaluation

(Not applicable to grant agreements.)

DHCS may, at its discretion, evaluate the performance of the Contractor at the conclusion of this Agreement. If performance is evaluated, the evaluation shall not be a public record and shall remain on file with DHCS. Negative performance evaluations may be considered by DHCS prior to making future contract awards.

26. Officials Not to Benefit

No members of or delegate of Congress or the State Legislature shall be admitted to any share or part of this Agreement, or to any benefit that may arise therefrom. This provision shall not be construed to extend to this Agreement if made with a corporation for its general benefits.

27. Four-Digit Date Compliance

(Applicable to agreements in which Information Technology (IT) services are provided to DHCS or if IT equipment is procured.)

Contractor warrants that it will provide only Four-Digit Date Compliant (as defined below) Deliverables and/or services to the State. "Four Digit Date compliant" Deliverables and services can accurately process, calculate, compare, and sequence date data, including without limitation date data arising out of or relating to leap years and changes in centuries. This warranty and representation is subject to the warranty terms and conditions of this Contract and does not limit the generality of warranty obligations set forth elsewhere herein.

28. Prohibited Use of State Funds for Software

(Applicable to agreements in which computer software is used in performance of the work.)

Contractor certifies that it has appropriate systems and controls in place to ensure that state funds will not be used in the performance of this Agreement for the acquisition, operation or maintenance of computer software in violation of copyright laws.

29. Use of Disabled Veteran's Business Enterprises (DVBE)

(Applicable to agreements over \$10,000 in which the Contractor committed to achieve DVBE participation. Not applicable to agreements and amendments specifically exempted from DVBE requirements by DHCS.)

- a. The State Legislature has declared that a fair portion of the total purchases and contracts or subcontracts for property and services for the State be placed with disabled veteran business enterprises.
- b. All DVBE participation attachments, however labeled, completed as a condition of bidding, contracting, or amending a subject agreement, are incorporated herein and made a part of this Agreement by this reference.
- c. Contractor agrees to use the proposed DVBEs, as identified in previously submitted DVBE participation attachments. Contractor understands and agrees to comply with the requirements set forth in Military and Veterans Code Section 999 et seq. in that should award of this contract be based on part on its commitment to use the DVBE subcontractor(s) identified in its bid or offer, per

Military and Veterans Code section 999.5(g), a DVBE subcontractor may only be replaced by another DVBE subcontractor and must be approved by both DHCS and the Department of General Services (DGS) prior to the commencement of any work by the proposed subcontractor. Changes to the scope of work that impact the DVBE subcontractor(s) identified in the bid or offer and approved DVBE substitutions will be documented by contract amendment.

- d. Requests for DVBE subcontractor substitution must include:
- (1) A written explanation of the reason for the DVBE substitution.
 - (2) A written description of the business enterprise that will be substituted, including its DVBE certification status.
 - (3) A written description of the work to be performed by the substituted DVBE subcontractor and an identification of the percentage share/dollar amount of the overall contract that the substituted subcontractor will perform.
- e. Failure of the Contractor to seek substitution and adhere to the DVBE participation level identified in the bid or offer may be cause for contract termination, recovery of damages under rights and remedies due to the State, and penalties as outlined in Military and Veterans Code § 999.9; Public Contract Code (PCC) §10115.10, or PCC §4110 (applies to public works only).
- f. Upon completion of this Contract, DHCS requires the Contractor to certify using the Prime Contractor's Certification – DVBE Subcontracting Report (STD 817), all of the following: .
- (1) The total amount the prime contractor received under the agreement;
 - (2) The name, address, Contract number and certification ID Number of the DVBE(s) that participated in the performance of this Contract;
 - (3) The amount and percentage of work the prime Contractor committed to provide to one or more DVBE(s) under the requirements of the Contract and the total payment each DVBE received from the prime Contractor;;
 - (4) That all payments under the Contract have been made to the DVBE(s); and
 - (5) The actual percentage of DVBE participation that was achieved. Upon request, the prime Contractor must provide proof of payment for the work.
- g. If for this Contract the Contractor made a commitment to achieve the DVBE participation goal, the Department will withhold \$10,000 from the final payment, or the full payment if less than \$10,000, until the Contractor complies with the certification requirements above. A Contractor that fails to comply with the certification requirement must, after written notice, be allowed to cure the defect. Notwithstanding any other law, if, after at least 15 calendar days but not more than 30 calendar days from the date of written notice, the prime Contractor refuses to comply with the certification requirements, DHCS will permanently deduct \$10,000 from the final payment, or the full payment if less than \$10,000. (Mil. & Vet. Code § 999.7.)
- h. A person or entity that knowingly provides false information will be subject to a civil penalty for each violation. (Mil. & Vet. Code § 999.5(d); Govt. Code § 14841.)

- i. Contractor agrees to comply with the rules, regulations, ordinances, and statutes that apply to the DVBE program as defined in Section 999 of the Military & Veterans Code, including, but not limited to, the requirements of Section 999.5(d). (PCC§ 10230.)

30. Use of Small, Minority Owned and Women's Businesses

(Applicable to that portion of an agreement that is federally funded and entered into with institutions of higher education, hospitals, nonprofit organizations or commercial businesses.)

Positive efforts shall be made to use small businesses, minority-owned firms and women's business enterprises, whenever possible (i.e., procurement of goods and/or services). Contractors shall take all of the following steps to further this goal.

- a. Ensure that small businesses, minority-owned firms, and women's business enterprises are used to the fullest extent practicable.
- b. Make information on forthcoming purchasing and contracting opportunities available and arrange time frames for purchases and contracts to encourage and facilitate participation by small businesses, minority-owned firms, and women's business enterprises.
- c. Consider in the contract process whether firms competing for larger contracts intend to subcontract with small businesses, minority-owned firms, and women's business enterprises.
- d. Encourage contracting with consortiums of small businesses, minority-owned firms and women's business enterprises when a contract is too large for one of these firms to handle individually.
- e. Use the services and assistance, as appropriate, of such organizations as the Federal Small Business Administration and the U.S. Department of Commerce's Minority Business Development Agency in the solicitation and utilization of small businesses, minority-owned firms and women's business enterprises.

31. Alien Ineligibility Certification

(Applicable to sole proprietors entering federally funded agreements.)

By signing this Agreement, the Contractor certifies that he/she is not an alien that is ineligible for state and local benefits, as defined in Subtitle B of the Personal Responsibility and Work Opportunity Act. (8 U.S.C. 1601, et seq.)

32. Union Organizing

(Applicable only to grant agreements.)

Grantee, by signing this Agreement, hereby acknowledges the applicability of Government Code Sections 16645 through 16649 to this Agreement. Furthermore, Grantee, by signing this Agreement, hereby certifies that:

- a. No state funds disbursed by this grant will be used to assist, promote or deter union organizing.
- b. Grantee shall account for state funds disbursed for a specific expenditure by this grant, to show those funds were allocated to that expenditure.
- c. Grantee shall, where state funds are not designated as described in b herein, allocate, on a pro-rata basis, all disbursements that support the grant program.
- d. If Grantee makes expenditures to assist, promote or deter union organizing, Grantee will maintain records sufficient to show that no state funds were used for those expenditures, and that Grantee shall provide those records to the Attorney General upon request.

33. Contract Uniformity (Fringe Benefit Allowability)

(Applicable only to nonprofit organizations.)

Pursuant to the provisions of Article 7 (commencing with Section 100525) of Chapter 3 of Part 1 of Division 101 of the Health and Safety Code, DHCS sets forth the following policies, procedures, and guidelines regarding the reimbursement of fringe benefits.

- a. As used herein fringe benefits shall mean an employment benefit given by one's employer to an employee in addition to one's regular or normal wages or salary.
- b. As used herein, fringe benefits do not include:
 - (1) Compensation for personal services paid currently or accrued by the Contractor for services of employees rendered during the term of this Agreement, which is identified as regular or normal salaries and wages, annual leave, vacation, sick leave, holidays, jury duty and/or military leave/training.
 - (2) Director's and executive committee member's fees.
 - (3) Incentive awards and/or bonus incentive pay.
 - (4) Allowances for off-site pay.
 - (5) Location allowances.
 - (6) Hardship pay.
 - (7) Cost-of-living differentials

c. Specific allowable fringe benefits include:

(1) Fringe benefits in the form of employer contributions for the employer's portion of payroll taxes (i.e., FICA, SUI, SDI), employee health plans (i.e., health, dental and vision), unemployment insurance, worker's compensation insurance, and the employer's share of pension/retirement plans, provided they are granted in accordance with established written organization policies and meet all legal and Internal Revenue Service requirements.

d. To be an allowable fringe benefit, the cost must meet the following criteria:

(1) Be necessary and reasonable for the performance of the Agreement.

(2) Be determined in accordance with generally accepted accounting principles.

(3) Be consistent with policies that apply uniformly to all activities of the Contractor.

e. Contractor agrees that all fringe benefits shall be at actual cost.

f. Earned/Accrued Compensation

(1) Compensation for vacation, sick leave and holidays is limited to that amount earned/accrued within the agreement term. Unused vacation, sick leave and holidays earned from periods prior to the agreement term cannot be claimed as allowable costs. See Provision f (3)(a) for an example.

(2) For multiple year agreements, vacation and sick leave compensation, which is earned/accrued but not paid, due to employee(s) not taking time off may be carried over and claimed within the overall term of the multiple years of the Agreement. Holidays cannot be carried over from one agreement year to the next. See Provision f (3)(b) for an example.

(3) For single year agreements, vacation, sick leave and holiday compensation that is earned/accrued but not paid, due to employee(s) not taking time off within the term of the Agreement, cannot be claimed as an allowable cost. See Provision f (3)(c) for an example.

(a) **Example No. 1:**

If an employee, John Doe, earns/accrues three weeks of vacation and twelve days of sick leave each year, then that is the maximum amount that may be claimed during a one year agreement. If John Doe has five weeks of vacation and eighteen days of sick leave at the beginning of an agreement, the Contractor during a one-year budget period may only claim up to three weeks of vacation and twelve days of sick leave as actually used by the employee. Amounts earned/accrued in periods prior to the beginning of the Agreement are not an allowable cost.

(b) Example No. 2:

If during a three-year (multiple year) agreement, John Doe does not use his three weeks of vacation in year one, or his three weeks in year two, but he does actually use nine weeks in year three; the Contractor would be allowed to claim all nine weeks paid for in year three. The total compensation over the three-year period cannot exceed 156 weeks (3 x 52 weeks).

(c) Example No. 3:

If during a single year agreement, John Doe works fifty weeks and used one week of vacation and one week of sick leave and all fifty-two weeks have been billed to DHCS, the remaining unused two weeks of vacation and seven days of sick leave may not be claimed as an allowable cost.

34. Suspension or Stop Work Notification

- a. DHCS may, at any time, issue a notice to suspend performance or stop work under this Agreement. The initial notification may be a verbal or written directive issued by the funding Program's Contract Manager. Upon receipt of said notice, the Contractor is to suspend and/or stop all, or any part, of the work called for by this Agreement.
- b. Written confirmation of the suspension or stop work notification with directions as to what work (if not all) is to be suspended and how to proceed will be provided within 30 working days of the verbal notification. The suspension or stop work notification shall remain in effect until further written notice is received from DHCS. The resumption of work (in whole or part) will be at DHCS' discretion and upon receipt of written confirmation.
 - (1) Upon receipt of a suspension or stop work notification, the Contractor shall immediately comply with its terms and take all reasonable steps to minimize or halt the incurrence of costs allocable to the performance covered by the notification during the period of work suspension or stoppage.
 - (2) Within 90 days of the issuance of a suspension or stop work notification, DHCS shall either:
 - (a) Cancel, extend, or modify the suspension or stop work notification; or
 - (b) Terminate the Agreement as provided for in the Cancellation / Termination clause of the Agreement.
- c. If a suspension or stop work notification issued under this clause is canceled or the period of suspension or any extension thereof is modified or expires, the Contractor may resume work only upon written concurrence of funding Program's Contract Manager.

- d. If the suspension or stop work notification is cancelled and the Agreement resumes, changes to the services, deliverables, performance dates, and/or contract terms resulting from the suspension or stop work notification shall require an amendment to the Agreement.
- e. If a suspension or stop work notification is not canceled and the Agreement is cancelled or terminated pursuant to the provision entitled Cancellation / Termination, DHCS shall allow reasonable costs resulting from the suspension or stop work notification in arriving at the settlement costs.
- f. DHCS shall not be liable to the Contractor for loss of profits because of any suspension or stop work notification issued under this clause.

If accepted, the agreed upon amendments shall be made through DHCS' official agreement amendment process. No amendment shall be binding on either party until it is formally approved by both parties and the Department of General Services (DGS), if DGS approval is required.

In the event of changes in law that affect provisions of this IA, the parties agree to amend the affected provisions to conform to the changes in law retroactive to the effective date of such changes in law. The parties further agree that the terms of this IA are severable and in the event that changes in law render provisions of the IA void, the unaffected provisions and obligations of this IA will remain in full force and effect.
- H. The following additional provisions regarding termination apply only to Exhibit A, Attachment I, of this IA:
- 1) In the event the federal Department of Health and Human Services (hereinafter referred to as DHHS), or DHCS determines that the Contractor does not meet the requirements for participation in DMC-ODS, the DHCS will terminate payments for services provided pursuant to Exhibit A, Attachment I, of this IA for cause.
 - 2) All obligations to provide covered services under this IA will automatically terminate on the effective date of any termination of this IA. Contractor shall remain liable for processing and paying invoices and statements for covered services and utilization review requirements prior to the expiration or termination until all obligations have been met.

3. Avoidance of Conflicts of Interest by Contractor

- A. DHCS intends to avoid any real or apparent conflict of interest on the part of the Contractor, the subcontractor, or employees, officers and directors of the Contractor or subcontractor. Thus, DHCS reserves the right to determine, at its sole discretion, whether any information, assertion or claim received from any source indicates the existence of a real or apparent conflict of interest; and, if a conflict is found to exist, to require the Contractor to submit additional information or a plan for resolving the conflict, subject to DHCS review and prior approval.
- B. Conflicts of interest include, but are not limited to:
- 1) An instance where the Contractor or subcontractor, or any employee, officer, or director of the Contractor or subcontractor has an interest, financial or otherwise, whereby the use or disclosure of information obtained while performing services under the IA would allow for private or personal benefit or for any purpose that is contrary to the goals and objectives of the IA.
 - 2) An instance where the Contractor's or subcontractor's employees, officers, or directors use their positions for purposes that are, or give the appearance of being, motivated by a desire for private gain for themselves or others, such as those with whom they have family, business or other ties.
- C. If DHCS is or becomes aware of a known or suspected conflict of interest, the Contractor will be given an opportunity to submit additional information or to resolve the conflict. A Contractor with a suspected conflict of interest will have five (5) working days from the date of notification of the conflict by DHCS to provide complete information regarding the suspected conflict. If a conflict of interest is determined to exist by DHCS and cannot be resolved to the satisfaction of DHCS, the conflict will be grounds for terminating the Agreement. DHCS may, at its discretion upon receipt of a written request from the Contractor, authorize an extension of the timeline indicated herein.
- D. Contractor acknowledges that state laws on conflict of interest, found in the Political Reform Act, Public Contract Code Section 10365.5, and Government Code Section 1090, apply to this IA.

4. Freeze Exemptions

- D. Contractor agrees that any purchasing freeze or purchase limitation policy adopted during the term of this IA shall not restrict or limit purchases funded, in whole or part, by this IA.

Such acts shall include but not be limited to acts of God, fire, flood, earthquake, other natural disaster, nuclear accident, strike, lockout, riot, freight-embargo, related-utility, or governmental statutes or regulations super-imposed after the fact. If a delay or failure in performance by the Contractor arises out of a default of its subcontractor, and if such default of its subcontractor arises out of causes beyond the control of both the Contractor and subcontractor, and without the fault or negligence of either of them, the Contractor shall not be liable for damages of such delay or failure, unless the supplies or services to be furnished by the subcontractor were obtainable from other sources in sufficient time to permit the Contractor to meet the required performance schedule.

6. Identification of Contractor versus Subrecipient
