\* Since the Teichert Shifler operation had not operated for 12 months prior to November 1, 2022 (the date annual reports are due to the County), there was no annual report submitted, nor required for Teichert Shifler. The operator was required to comply with multiple Conditions of Approval (COA) prior to commencement of earthwork/mining activity. The operator complied with all such conditions prior to commencement of earthwork and mining.

COA compliance referenced above was determined through correspondence with the operator, periodic site visits and the Annual SMARA (Surface Mining and Reclamation Act) Inspection conducted on November 28, 2022. A COA Compliance Report prepared by the operator will be included with the 2023 Annual Report to be submitted to the County prior to November 1, 2023.
