Employment Experience

I am currently the President of Farallon Strategies, and have served in the role for nearly three years. Previously I was the Senior Vice President at Harris & Associates for nearly two years. Prior to that I was the Senior Planning Advisor at the Governor's Office of Planning and Research (OPR) between 2011 and 2019, where I authored the current General Plan Guidelines, among other responsibilities. During my time at

Organization and Community Experience

I've served at the federal, state, regional, local, non-profit, and in business. I served on the Board of Cool Davis for over six years, three of which were as chair. I've helped found several non-profits or collaboratives including The Sustainability Academy, Bay Area Climate Adaptation Network, Alliance of Regional Collaboratives for Climate Adaptation, and others. Our family is currently supporting refugee relocation efforts in our community.

Other Experience

I am currently completed work through my firm to support the development of governance, recruitment of members, establishment of early actions, creation of an RFP and on call support of the Yolo County Climate Action Commission. With carbon negative as County goal by 2030, changes are required as to how the County will balance housing, natural/working lands, transportation priorities, and regional opportunities. I

Education

Bachelors in Sociology and Master's in Urban Planning from Florida State University
