**Subject:** Put a Cease Fire in Gaza resolution on the agenda for 1/23/24

Dear Clerk of the Supervisor's Board,

25,000 dead - 178 Palestinians killed in the past 24 hour. Communication cut off. Thousands without food or water.

A war is raging in Israel funded by US dollars - my tax money. The blood of the dead is on my hands and the hands of every American.

**Please put a CEASEFIRE resolution on the agenda for 1/23/24.** Discussing this important issue and creating a resolution demanding a ceasefire is an important message to our Congress that the American people demand that Israel fight wars under International rules and that Congress should withhold our monetary support until it does so.

Such an action is not abandoning Israel. It is simply asking that the Israeli government to respect the civil rights of the civilian people.

Yours sincerely  
Ellen Kolarik MD
