Subject: Putting a Ceasefire Resolution on an Upcoming Agenda

Hello,

I am Jamie Seibel and I am a constituent living in Woodland. I am asking the supervisors to please put a ceasefire resolution on an upcoming agenda. I support the passage of a ceasefire resolution at the county level to put further pressure on our federal government to stop supporting the genocide in Gaza. War does not solve anything, and a ceasefire is mutually beneficial to both sides for the sake of human lives. I know that I am not alone in this sentiment. My mother's family is Jewish, and I support Palestinian Justice. It is because I am Jewish that I know what injustice looks like, and I truly believe in a world of peace without hatred or fear of people we believe are different. In reality, across populations, human beings are 99% alike. Jews and Palestinians have more in common with each other than they realize. Please end the bloodshed. Let us not make the same mistakes of our past. I believe in Yolo County's influence to create change, and I believe in the power of the Board to make this change a reality.

Sincerely,
Jamie Seibel
