**Subject:** Gaza ceasefire resolution

Dear Yolo country supervisors,

As you are all are an engaged member of our local and global community, you are aware of the atrocities occurring in Gaza. I am writing as a 10 year member of the Yolo community and asking you to pass a strong, permanent ceasefire resolution in Yolo County.

Cities around California, the US, and the world are calling for a permanent ceasefire in Gaza.

I am hopeful that Yolo County will be part of this urgently needed call for a ceasefire resolution to stop this human suffering.

I am broken seeing the genocide unfold in Gaza and feel powerless. I am doing what I can, which is why I am imploring you to take this message seriously.

Thank you

Sequoia
