Dear Yolo County Board of Supervisors,

As a fifth generation Yolo County rice farmer, I am writing today demanding that you pass a resolution in support of a ceasefire in Gaza. We need to send a clear message to Washington DC that we, the residents of Yolo County, strongly oppose use of our tax dollars to aid and abet the killing of innocent men, women, and children. There have been over 10,000 children that have been murdered in Gaza. This is one of the biggest atrocities that we are witnessing with our eyes and we must raise our voices against it.

Thank you very much.

Telha Rehman
