Subject: Please introduce and support a CEASEFIRE RESOLUTION

To the Yolo County Board of Supervisors,

I ask that you follow the lead of the city of Davis, San Francisco, Oakland, Richmond, Long Beach, and other cities in California and across the country who have passed resolutions calling on our federal government to support an immediate permanent ceasefire between Israel and Hamas. I ask that you have the moral courage to represent the interests of your constituents by introducing and supporting an IMMEDIATE PERMANENT CEASEFIRE RESOLUTION at the Yolo Board of Supervisors meeting tomorrow.

I am one of your constituents in west Davis, and through January 28th I am joining in the global strike for Palestine. I will not be buying groceries, going out to eat at restaurants or getting coffee, boba, or drinks with my friends, and I will be skipping out on going to see The Boy and the Heron in theaters. Instead, I will once again be standing with my neighbors and Yolo community outside Representative Mike Thompson's office, once again, to ask for a Ceasefire.

You may be uneasy to support a ceasefire resolution or feel that it is not relevant to the Yolo County Board of Supervisors. Consider that nationally, the majority of Americans SUPPORT a ceasefire. In Davis, there was overwhelming support for the resolution.

Sincerely,
Alana Mockler
West Davis
