California Fire Safe Council  
5834 Price Avenue #101  
McClellan, CA 95652

Dear California Fire Safe Council,

The Yolo Board of Supervisors authorizes the Yolo County Resource Conservation District (YCRCD) to apply on behalf of Yolo County for the California Fire Safe Council County Coordinators Grant Project and serve as the grant sub-recipient. Because the YCRCD has been coordinating the Yolo County Fire Safe Council since 2021, our board is confident that they will execute the scope of the grant program and meet project metrics and deliverables.

The Yolo County RCD is aware that, as a sub-recipient, they will be required to work closely with the Yolo County Board of Supervisors and other fire mitigation groups within the county to meet the County Coordinators' grant objectives of educating, encouraging, and developing county-wide collaboration and coordination. Our Board is prepared to support and assist YCRCD in executing these project goals.

Should you require additional confirmation of Yolo County's support of the Yolo County RCD, the Board of Supervisor's office may be reached at 530-666-8195 and [clerkoftheboard@yolocounty.org](mailto:clerkoftheboard@yolocounty.org).

Signed,

Lucas Frerichs, Chair  
Yolo County Board of Supervisors
