Yolo County Community Corrections Partnership (CCP) 2022-23 Program Summary	
IGT Housing Program 2022-23 CCP Funding Summary CCP Funds: \$30,000 budget / \$33,895 actual Treatment Other Funding: \$0 Note: An additional \$3,895 was added to the budget for capital repair (fence).	CCP Strategic Plan Outcome/Strategy(s) Supported Outcome: Enhanced re-entry and community support services, especially for PRCS/1170 population
Use of Funding Property management of 3-bedroom, 2-bathroom house located in Woodland, as well as Rent Ready programming provided by Yolo County Housing Note: costs associated with monitoring participant progress are absorbed by the Probation Department as they would be incurred regardless of program participation.	Program Description The Probation Department, Public Defender's Office, Health & Human Services Agency and Yolo County Housing collaboratively submitted a proposal in 2016 for intergovernmental transfer (IGT) funds which allowed for the purchase of a 3-bedroom, 2-bathroom single-family residential property in Woodland with the goal of improving health and life outcomes for Medi-Cal eligible and justice-involved individuals needing shelter, coupled with mandated wrap-around services focused on behavioral and primary health care needs. The CCP supports the on-going cost of maintaining the property (purchased in 2017 and referred to as the IGT House) as well as the provision of Rent Ready programming to participants in the IGT House Program. The Probation Department identifies clients eligible to participate in the IGT House Program and monitors their progress. The house can accommodate five individuals (both men and women) who typically stay for a period of 6-12 months. Probation contracts with Yolo County Housing to manage the property and provide the Rent Ready curriculum. While each resident reports to their own assigned Probation Officer, they are also collectively overseen by another Probation Officer dedicated to the program. This Probation Officer visits the house at least weekly and participates in monthly house meetings. Should an issue arise in the meantime, Probation Officers are available to respond. Each resident benefits from safe, stable shelter, coupled with mandated wrap-around services focused on meeting their behavioral health and basic health needs, including substance use disorder and mental health treatment, as well as access to services that meet oral and primary health care needs.
PM1: Client Bed Days (5 spots x 365 days) 1,667 out of a possible 1,825 = 91% house utilization	PM2: 9-1-1 or Non-Emergency Response to Property 0
PM3: Estimated Cost Avoidance \$27,117 (IGT House = \$33,895 vs Sober Living Bed Days = \$60,012)	See attached for more detail on performance measures for the IGT House Program.
