18. All Grant Subawards Must Have Specific Federal Authorization

Subrecipients (and any Second-Tier Subrecipients) must comply with all applicable requirements for authorization of any Grant Subaward. This condition applies to agreements that -- for purposes of federal grants administrative requirements -- OJP considers a "Grant Subaward" (and therefore does not consider a procurement "contract").

The details of the requirement for authorization of any Grant Subaward are posted on the OJP web site at <https://ojp.gov/funding/Explore/SubawardAuthorization.htm>.

19. Requirements Related to System for Award Management and Universal Identifier Requirements

Subrecipients (and any Second-Tier Subrecipients) must comply with applicable requirements regarding the System for Award Management (SAM), currently accessible at <https://www.sam.gov/>. This includes applicable requirements regarding registration with SAM, as well as maintaining the currency of information in SAM.

Subrecipients also must comply with applicable restrictions for Second-Tier Subawards, including restrictions on Grant Subawards to entities that do not acquire and provide (to Subrecipients) the unique entity identifier required for SAM registration.

The details of the Subrecipients' obligations related to SAM and to unique entity identifiers are posted on the OJP web site at <https://ojp.gov/funding/Explore/SAM.htm>.

This condition does not apply to a Grant Subaward to an individual who received the Grant Subaward as a natural person (i.e., unrelated to any business or non-profit organization that he or she may own or operate in his or her name).

20. Restrictions on "Lobbying"

In general, as a matter of federal law, federal funds awarded by OJP may not be used by Subrecipients (and any Second-Tier Subrecipients), either directly or indirectly, to support or oppose the enactment, repeal, modification, or adoption of any law, regulation, or policy, at any level of government. See 18 U.S.C. 1913. (There may be exceptions if an applicable federal statute specifically authorizes certain activities that otherwise would be barred by law.)

Another federal law generally prohibits federal funds awarded by OJP from being used by Subrecipients (and any Second-Tier Subrecipients), to pay any person to influence (or attempt to influence) a federal agency, a Member of Congress, or Congress (or an official or employee of any of them) with respect to the awarding of

a federal grant or cooperative agreement, subgrant, contract, subcontract, or loan, or with respect to actions such as renewing, extending, or modifying any such award. See 31 U.S.C. 1352. Certain exceptions to this law apply, including an exception that applies to Indian tribes and tribal organizations.

Should any question arise as to whether a particular use of federal funds by a Subrecipient (or any Second-Tier Subrecipient) would or might fall within the scope of these prohibitions, the Subrecipient is to contact Cal OES for guidance, and may not proceed without the express prior written approval of Cal OES.

21. Specific Post-award Approval Required to Use a Noncompetitive Approach in any Procurement Contract that would Exceed \$250,000

Subrecipients (and any Second-Tier Subrecipients) must comply with all applicable requirements to obtain specific advance approval to use a noncompetitive approach in any procurement contract that would exceed the Simplified Acquisition Threshold (currently, \$250,000). This condition applies to agreements that -- for purposes of federal grants administrative requirements OJP considers a procurement "contract" (and therefore does not consider a subaward).

The details of the requirement for advance approval to use a noncompetitive approach in a procurement contract under an OJP award are posted on the OJP web site at <https://ojp.gov/funding/Explore/NoncompetitiveProcurement.htm>.

22. Requirements Pertaining to Prohibited Conduct Related to Trafficking in Persons (including reporting requirements and OJP Authority to Terminate Grant Subaward)

Subrecipients (and any Second-Tier Subrecipients) must comply with all applicable requirements (including requirements to report allegations) pertaining to prohibited conduct related to the trafficking of persons, whether on the part of Subrecipients (and any Second-Tier Subrecipients), or individuals defined (for purposes of this condition) as "employees" of Subrecipients (and any Second-Tier Subrecipients).

The details of the Subrecipients' obligations related to prohibited conduct related to trafficking in persons are posted on the OJP web site at <https://ojp.gov/funding/Explore/ProhibitedConduct-Trafficking.htm>.

23. Reporting Potential Fraud, Waste, and Abuse, and Similar Misconduct

Subrecipients (and any Second-Tier Subrecipients) must promptly refer to Cal OES any credible evidence that a principal, employee, agent, Subrecipient, contractor, subcontractor, or other person has, in connection with funds under this Grant Subaward-- (1) submitted a claim that violates the False Claims Act; or (2) committed a criminal or civil violation of laws pertaining to fraud, conflict of interest, bribery, gratuity, or similar misconduct.

Potential fraud, waste, abuse, or misconduct involving or relating to funds under this Grant Subaward should must also be reported to Cal OES. Additional information is available from the DOJ OIG website at <https://oig.justice.gov/hotline>.

24. Discrimination Findings

Subrecipients (and any Second-Tier Subrecipients) assure that in the event that a Federal or State court or Federal or State administrative agency makes a finding of discrimination after a due process hearing on the ground of race, religion, national origin, sex, or disability against a recipient of victim assistance formula funds under this Grant Subaward, Subrecipients will forward a copy of the findings to the Office for Civil Rights of OJP.

25. VOCA Requirements

Subrecipients (and any Second-Tier Subrecipients) assure that they will comply with the conditions of the Victims of Crime Act (VOCA) of 1984, sections 1404(a)(2), and 1404(b)(1) and (2), 34 U.S.C. 20103(a)(2) and (b)(1) and (2) (and the applicable program guidelines and regulations), as required.

26. Federal Funding Accounting and Transparency Act (FFATA)

- If the answer is yes, does the amount of federal funds received equal 80% or more of the Subrecipient's annual gross revenue?
- If the answer is yes to the above two questions, did the Subrecipient report to the U.S. Security and Exchange Commission?
