VII. CULTURAL COMPETENCY

A. Cultural competence is defined as a set of congruent practice behaviors, attitudes, and policies that come together in a system, agency, or among consumer providers and professionals which enable

EXHIBIT C – TERMS AND CONDITIONS

that system, agency, or those professional and consumer providers to work effectively in cross-cultural situations.

B. Contractor recognizes that cultural competence is a goal toward which professionals, agencies, and systems should strive. Becoming culturally competent is a developmental process and incorporates at all levels the importance of culture, the assessment of cross-cultural differences, the expansion of cultural knowledge, and the adaptation of services to meet culturally unique needs. Providing medically necessary specialty behavioral health, substance abuse, and co-occurring disorder services in a culturally competent manner is fundamental in any effort to ensure success of high quality and cost-effective services. Offering those services in a manner that fails to achieve its intended result due to cultural and linguistic barriers is not cost effective.

C. Contractor shall assess the demographic make-up and population trends of its service area to identify the cultural and linguistic needs of the eligible beneficiary population. Such studies are critical to designing and planning for providing appropriate and effective behavioral health, substance abuse, and co-occurring disorder services.

D. Contractor shall implement practices and protocols that are inclusive and responsive to the needs of diverse cultural populations, including Lesbian, Gay, Bisexual, Transgender and Queer/Questioning (LGBTQ) individuals, families and communities.

E. Contractor shall adopt the National Standards for Culturally and Linguistically Appropriate Services (CLAS) in Health and Health Care to improve health care quality and advance health equity. Refer to <http://minorityhealth.hhs.gov> (US Department of Health and Human Services Office of Minority Health).

VIII. CONFIDENTIALITY

A. Contractor shall comply with, and require its officers, agents, employees, participants, and volunteers to comply with:

1. All applicable laws and regulations regarding the confidentiality of patient information, including but not limited to California Welfare and Institutions Code sections 5328 et. seq., 10850, and 14100 et, seq., Title 42 of the United States Code section 1320d, and the Health Insurance Portability and Accountability Act of 1996 (“HIPAA”), the HIPAA Omnibus Rule, Title 45 of the Code of Federal Regulations, Parts 160 and 164, and its implementing regulations, and the Federal Confidentiality of Substance Abuse Disorder Patient Records laws and regulations, Title 42 of the United States Code section 290dd-2 and Title 42 of the Code of Regulations, Part 2 (“Part 2 Regulations”); and
2. The privacy and security requirements of Exhibit E attached hereto; and
3. Any additional regulations pertaining to confidentiality that the Federal, State or County shall so specify that do not conflict with State or Federal regulations.

All professional and technical documents and information developed under this Agreement, and all work products, including writings, work sheets, reports, and related data, materials, copyrights and all other rights and interests therein, shall become the property of County, and Contractor agrees to deliver and assign the foregoing to County, upon completion of the services hereunder or upon any earlier termination of this Agreement. Contractor assigns the work products, as and when the same shall arise, for the full terms of protection available throughout the world. In addition, basic data prepared or obtained under this Agreement shall be made available to County without restriction or limitation on their use. No additional charge will be made for any of the foregoing.

X. DISPUTES

Any dispute arising under this Agreement shall be decided by the County Administrative Officer who shall put his or her decision in writing and mail a copy thereof to the address for the notice to Contractor. The decision of the County Administrative Officer shall be final unless, within thirty (30) days from the date such copy is mailed to Contractor, Contractor appeals the decision in writing to the County Board of Supervisors. Any such written appeal shall detail the reasons for the appeal and contain copies of all documentation supporting Contractor's position. In connection with any appeal proceeding under this paragraph, Contractor shall be afforded the opportunity to be heard and offer evidence in support of its appeal to the County Board of Supervisors at a regular Board meeting. Pending a final decision of the dispute, Contractor shall proceed diligently with the performance of this Agreement and in accordance with the County Administrative Officer's decision. The decision of the County Board of Supervisors on the appeal shall be final for purposes of exhaustion of administrative remedies.

XI. TERMINATION

A. Should either party fail to substantially perform its obligations in accordance with this Agreement, the other party may notify the defaulting party of such default in writing and provide not less than thirty (30) days to cure the default. Such notice shall describe the default and shall not be deemed a forfeiture or termination of this Agreement. If such default is not cured within said thirty-day period (or such longer period as is specified in the notice or agreed to by the Parties), the party that gave notice of default may terminate this Agreement upon not less than fifteen (15) days advance written notice. In the event of such termination based upon Contractor default, County reserves the right to purchase or obtain the supplies or services elsewhere, and Contractor shall be liable for the difference between the prices set forth herein and the actual cost thereof to County. The foregoing notwithstanding, neither party waives the right to recover damages against the other for breach of this Agreement.

B. This Agreement is subject to County, the State of California and the United States appropriating and approving sufficient funds for the activities required of Contractor pursuant to this Agreement. If County's adopted budget and/or its receipts from the State of California and the United States do not contain sufficient funds for this Agreement, County may terminate this Agreement by giving ten (10) days advance written notice thereof to Contractor, in which event County shall have no obligation to pay Contractor any further funds or provide other consideration and Contractor shall have no obligation to provide any further services pursuant this Agreement. If County terminates the Agreement pursuant to this subparagraph, County will pay Contractor in accordance with this Agreement for all services performed to the satisfaction of the Director before such termination and for which funds have appropriated as required by law.

EXHIBIT C – TERMS AND CONDITIONS

C. If Contractor, or any of its officers, agents, employees, contractors, subcontractors, volunteers or five percent owners, becomes excluded, debarred or suspended from participation in Federally or State funded programs, County may terminate this Agreement by giving ten (10) days advance written notice thereof to Contractor.

D. All creative work undertaken by Contractor such as sketches, copy, dummies and all preparatory work for which Contractor is not compensated by County shall remain the sole and exclusive property of Contractor.

E. During and following the term of this Agreement, Contractor shall not use, distribute or otherwise circulate any of the materials developed pursuant to this Agreement and for which Contractor was compensated by County without the express written permission of the Director.

D. This Agreement shall be deemed to be executed within the State of California and construed in accordance with and governed by the laws of the State of California. Any action or proceeding arising out of this Agreement shall be filed and resolved in a California State court located in Woodland, California. Contractor and/or any subcontractor’s responsibility for such defense and indemnity obligations shall survive the termination or completion of this Agreement for the full period of time allowed by law. The defense and indemnification obligations of this Agreement are undertaken in addition to, and shall not in any way be limited by, the insurance obligations contained in this Agreement. In providing any defense under this Section, Contractor shall utilize counsel approved by the Office of the County Counsel in its reasonable discretion.

C. Any subcontractor must agree to be bound to County in the same manner and to the same extent as Contractor is bound to County under this Agreement. EXHIBIT A

AUTHORITY, PURPOSE AND SCOPE OF WORK

1) Authority

The State of California has established the Homeless Housing, Assistance, and Prevention Program Round 4 (“HHAP-4” or “Program”) pursuant to Chapter 6 (commencing with Health and Safety Code (HSC) section 50216) of Part 1 of Division 31 of the Health and Safety Code. (Amended by Stats. 2021, Ch. 111, Sec. 4. (AB 140) Effective July 19, 2021.)

The Program is administered by the California Interagency Council on Homelessness (“Cal ICH”) in the Business, Consumer Services and Housing Agency (“Agency”). HHAP-4 provides flexible block grant funds to Continuums of Care, large cities (population of 300,000+) and counties to build on the regional coordination created through previous Cal ICH grant funding and support local jurisdictions in their unified regional responses to reduce and end homelessness.

This Standard Agreement/Contract for Funds along with all its exhibits (“Agreement”) is entered into by Cal ICH and a Continuum of Care, a city, or a county (“Grantee”) under the authority of, and in furtherance of the purpose of, the Program. In signing this Agreement and thereby accepting this award of funds, the Grantee agrees to comply with the terms and conditions of this Agreement, and the requirements appearing in the statutory authority for the Program cited above.

2) Purpose

The general purpose of the Program is to (1) reduce homelessness by expanding or developing local capacity to address immediate homelessness challenges informed by a best-practices framework focused on moving homeless individuals and families into permanent housing and supporting the efforts of those individuals and families to maintain their permanent housing; and (2) continue to build on regional coordination developed through previous rounds of HHAP funding (Chapter 6 (commencing with HSC section 50216)).

This funding shall:

- a) Continue to build regional collaboration between continuums of care, counties, and cities in a given region, regardless of population, and ultimately be used to develop a unified regional response to homelessness.

- c) Be deployed with the goal of reducing the number of people experiencing homelessness in a given region through investing in long-term solutions, such as permanent housing.
