Soooo.. as evidence by these documents, there was Not an active warrant at anytime prior to February 20 2022. Therefore your employees and the judge lied. Also in the fictitious, unsigned affidavit, Vroman lied about why I could not appear.

Why would there be an also unsigned warrant in March?

Dear Mr. Ditty,

Attached are documents responsive to your August 8, 2022, Public Records Act request. (Freedom of Information Act Request.) Please note that some documents encompassed by your request are subject to attorney-client privilege, attorney work product doctrine, or deliberative process privilege, are investigatory or law enforcement records, or are subject to the catch-all exemption because the public interest served by not making the record public clearly outweighs the public interest served by disclosure of the record. *See* Gov. Code § 6254(f) & (k); *id.* § 6255. Such documents are exempt from the Public Records Act and will not be produced.
