

Draft Press Release: Community Corrections Partnership Seeking Funding Proposals

The Community Corrections Partnership (CCP) is now seeking funding proposals for fiscal years 2024-25 through 2025-26.

The CCP acts as the governing body responsible for developing and submitting public safety realignment implementation recommendations to the Board of Supervisors. The CCP takes an active and collaborative role in evolving and reforming corrections practices by emphasizing the importance of evidence-based practices and cost-effective strategies. The mission of the CCP is to protect the public by holding individuals accountable and providing opportunities that support victim and community restoration, offender rehabilitation and successful reintegration through evidence-based, innovative and culturally competent programs and services.

For fiscal years 2024-25 through 2025-26, the CCP is accepting applications from community-based organizations that align with the CCP's mission and advance its 2023-2025 Strategic Plan. Applicants are encouraged to read the CCP Annual Report to understand where gaps in services may exist. Proposal that additionally seek to prevent or remediate the impacts of systems racism and/or disparate outcomes will be given highest consideration.

The CCP is allocating \$250,000 total that can be distributed over two years, starting July 1, 2024 and ending June 30, 2026. Applicants may submit one or more proposals for some or all of the total \$250,000 allocation. Proposals may be for one or two years in duration, but the total request may not exceed \$250,000. The CCP may allocate all, some or none of the \$250,000 to one or multiple applicants, at its discretion.

Organizations interested in proposing programs to fund in fiscal years 2024-25 through 2025-26 may complete a funding application found at www.YoloCounty.org/CCP (select Budget & Program Descriptions > External Funding Application). Funding requests are due by February, 29, 2024. Recommendations on programs and services to be funded will be presented to the CCP at their April 8 meeting and will be based on the above-mentioned criteria, as well as anticipated revenue available in fiscal years 2024-25 through 2025-26.
