Re: Receive and file the Draft Yolo HCP/NCCP Annual Report for FY22/23

Date: March 18, 2024

REQUESTED ACTION:

1. Receive and file the Draft Yolo HCP/NCCP Annual Report for FY22/23

BACKGROUND:

The Conservancy must complete an annually prepare a report that documents Yolo HCP/NCCP activities that occurred during the previous fiscal year (July 1 to June 30) and provide it to the California Department of Fish and Wildlife and U.S. Fish and Wildlife Service by April 30th of the following year. The annual report is a required component of the HCP/NCCP that allows the Conservancy Board, wildlife agencies, member agencies, stakeholders, and other interested parties to review the status of HCP/NCCP implementation. In addition to addressing requirements of the HCP/NCCP, the annual report serves as the Conservancy's annual report required under the Mitigation Fee Act. Staff worked with Alford Environmental to draft the annual report for the reporting period of July 2022 through June 2023 (Attachment A). The draft annual report is pending final financial information that will be included once the FY22/23 audit is completed.
