

CONDITIONS OF APPROVAL
ZONE FILE #2024-011
Williams, Yurosek, and Doherty Tentative Parcel Map

PLANNING DIVISION – COMMUNITY SERVICES (530) 406-4717

1. The project shall be developed in compliance with all adopted Conditions of Approval for Zone File #2024-011. The Applicant shall be responsible for all costs associated with implementing the Conditions of Approval as approved by the Yolo County Planning Commission.
2. The Parcel Map for the project shall be filed and recorded, at the Applicant's expense, with the Department of Community Services. The Parcel Map shall be recorded within two years from the date of approval by the Yolo County Planning Commission, or the Tentative Parcel Map shall become null and void, without any further action in accordance with the State Subdivision Map Act.
3. The Applicant shall pay fees, under Public Resources Code Section 21089, and as defined by Fish and Game Code Section 711.4, at the time of the filing of Notice of Determination, to cover the cost of review of the environmental document by the California Department of Fish and Wildlife. The total amount for 2024 is \$2,966.75 (\$2,916.75 for state filing fee, plus \$50 Clerk-Recorder processing fee).
4. The Applicant shall agree to indemnify, defend, and hold harmless the County or its agents, officers and employees from any claim, action, or proceeding (including damage, attorney fees, and court cost awards) against the County or its agents, officers, or employees to attack, set aside, void, or annul an approval of the County, advisory agency, appeal board, or legislative body concerning the permit or entitlement when such action is brought within the applicable statute of limitations.
5. The County shall promptly notify the Applicant of any claim, action or proceeding and that the County cooperate fully in the defense. If the County fails to promptly notify the Applicant of any claim, action, or proceeding, or the County fails to cooperate fully in the defense, the Applicant shall not thereafter be responsible to defend, indemnify, or hold the County harmless as to the action. The County may require that the Applicant post a bond in an amount determined to be sufficient to satisfy the above indemnification and defense obligation.
6. Failure to comply with the **CONDITIONS OF APPROVAL** as approved by the Planning Commission may result in the following:
 - Non-issuance of future building permits;
 - Legal action.

PUBLIC WORKS DIVISION – COMMUNITY SERVICES (530) 666-8436

7. If subdivided parcels are sold off in the future, recordation of access easements among new parcel owners may be required.

PRIOR TO FINAL PARCEL MAP APPROVAL:

PLANNING DIVISION – COMMUNITY SERVICES (530) 406-4717

8. The Parcel Map submitted for recordation shall have the Parcel Map Number (PM #5249) indelibly printed on it. Said PM #5249 shall be prepared to conform to the Subdivision Map Act and as provided for final maps in Section 8-1.502 of the Yolo County Code including all certificates specified in Section 8-1.502(e).
9. The Parcel Map submitted for recordation shall include dedication of State Route 45 right-of-way as requested by Caltrans. Applicant shall coordinate with Caltrans District 3 to ensure the dedication meets Caltrans standards and requirements.

PUBLIC WORKS DIVISION – COMMUNITY SERVICES (530) 666-8436

10. Prior to map filing, applicant shall record the necessary access easements from neighboring lots (that are not under same ownership as map owner) to accommodate access to new parcels' configurations. Provide copies of documents recorded by the County Recorder to the Public Works Division for recording information on the parcels. See condition 8 for access easement dedications among the new parcels 1-5 (under same ownership as map owner).
11. Show all existing easements on Tentative Parcel/Subdivision Map. Applicant should refer to Title Report exceptions, if available.

PRIOR TO ISSUANCE OF ANY BUILDING PERMIT:

PLANNING DIVISION – COMMUNITY SERVICES (530) 666-8803

12. Any future development on the newly created parcels shall comply with the County's Zoning Regulations for the Agricultural Zones contain in Articles 3 and 4 of Chapter 2, Title 8, Yolo County Code of Ordinances.
13. The Applicant/Property Owner shall comply with the Yolo County Habitat Conservation Plan/Natural Community Conservation Plan (Yolo HCP/NCCP) Section 4.2.1.2, *Private Projects under the Discretionary Authority of Permittees*, for any new homesite proposed for development on the newly created parcels (Parcels 1, 2, 3, and 4) following the approval of a Tentative Parcel Map by the Planning Commission. The new homesite shall be considered a 2.5-acre disturbance for the purposes of determining appropriate land cover fees. The requirements will include the submittal of the Yolo HCP/NCCP application for coverage, the associated application fee, and any land cover and mitigation fees, which will be determined at the time of payment. Fees and application materials can be found online: <https://www.yolohabitatconservancy.org/>
 - The newly created parcels are identified as Parcels 1, 2, 3, and 4 on Tentative Parcel Map #5249 and will be subject to the HCP/NCCP permit process including, any mitigation fees and avoidance and minimization measures as identified in the final private project application.
 - The requirements described above shall be met prior to the issuance of a building permit to establish a 2.5-acre homesite on Parcels 1, 2, 3, and 4.

14. Any project or work, including access modification and drainage work, that takes place along or within the State's right-of-way (ROW) requires an encroachment permit issued by Caltrans. To apply, a completed encroachment permit application, environmental documentation, and five sets of plans clearly indicating State ROW shall be submitted to:
Hikmat Bsaibess
California Department of Transportation
District 3, Office of Permits
703 B Street
Marysville, CA 95901
15. Section 7050.5 of the California Health and Safety Code states that when human remains are discovered, no further site disturbance shall occur until the County coroner has determined that the remains are not subject to the provisions of Section 27491 of the Government Code or any other related provisions of law concerning investigation of the circumstances, manner and cause of any death, and the recommendations concerning the treatment and disposition of the human remains have been made to the person responsible for the excavation, in the manner provided in Section 5097.98 of the Public Resources Code. If the coroner determines that the remains are not subject to this or her authority and the remains are recognized to be those of a Native American, the coroner shall contact the Native American Heritage Commission within 24 hours.

BUILDING DIVISION - COMMUNITY SERVICES (530) 666-8037

16. All building plans for development on any of the parcels subject to this project shall be submitted to the Community Services Department for review and approval in accordance with County building standards prior to the commencement of any construction.
17. Any new construction shall comply with the provisions of Chapter 4, Flood Protection, of Title 8 of the Yolo County Code, for building within a designated flood plain, as applicable.
18. The Applicant shall pay all appropriate fees prior to the issuance of building permits, including, but not limited to School and Fire District fees, County Facility and Service Authorization (FSA) fees, and Environmental Health fees.

ENVIRONMENTAL HEALTH - COMMUNITY SERVICES (530) 666-8646

19. Hazardous Materials
 - Handling hazardous materials in quantities equal to or greater than 55-gallons for liquids, 500-pounds for solids, or 200-cubic feet for compressed gases, requires a Hazardous Materials Business Plan (HMBP) to be completed and submitted to YCEH by submitting to the California Environmental Reporting System (CERS) web site (<http://cers.calepa.ca.gov/>). For assistance with CERS, please visit our web site at <https://www.yolocounty.org/government/general-governmentdepartments/community-services/environmental-health-division/hazardous-materialsprogramscalifornia-environmental-reporting-system-cers> or call YCEH at (530) 666- 8646 and ask to speak to a Hazmat Specialist. If a facility only generates below reportable quantities of hazardous waste, it is not required to submit a HMBP in CERS, but the facility will be regulated by the YCEH Hazardous Materials (CUPA) program. Please contact the YCEH office and ask to speak to a Hazmat Specialist.

- Prior to the installation, upgrade, or repair of Underground Storage Tanks (USTs), a UST Installation Packet (Underground Storage Tank Program Application Packet for Installations, Modifications, and Repairs) shall be completed and submitted on paper to YCEH. This packet requires that the applicant update facility information including UST forms online in CERS. For assistance with CERS or questions about the UST Installation Packet, please call YCEH at (530) 666-8646 and ask to speak to a Hazmat Specialist. The forms for the UST Installation Packet are also available at: <https://www.yolocounty.org/government/general-governmentdepartments/community-services/environmental-health-division/forms-applicationspage#underground>. In addition, a UST operating permit shall be obtained from YCEH.

ACKNOWLEDGEMENT of CONDITIONS OF APPROVAL for ZONE FILE #2024-011. I hereby concur with the conditions of approval as set forth above.
