Project Title: **Fireworks Ordinance Amendments**

Applicant: Yolo County Community Services Department  
292 West Beamer Street  
Woodland, CA 95695  
(530) 666-8775

Owner: Same

Project Location: Unincorporated Yolo County

Assessor's Parcel Numbers: N/A

Project Description: The project consists of amendments to Yolo County's Fireworks Ordinance (Title 4, Chapter 2 of the Yolo County Code of Ordinances). The amendments expand certain restrictions on the use of fireworks, including a prohibition of all fireworks in High or Very High Fire Hazard Severity Zones designated by the State Fire Marshall. Additionally, the amendments streamline procedural requirements and clarify enforcement provisions.

Exempt Status: **Section 15061(b)(3) of Title 14 of the California Code of Regulations**

Reasons why project is exempt: Section 15061(b)(3) of Title 14 of the California Code of Regulations states that a project is exempt from CEQA if "the activity is covered by the common sense exemption that CEQA applies only to projects, which have the potential for causing a significant effect on the environment. Where it can be seen with certainty that there is no possibility that the activity in question may have a significant effect on the environment, the activity is not subject to CEQA." The adopted amendments to the Fireworks Ordinance expand certain restrictions on the use of fireworks in response to current regulatory standards and fire risks, and streamline procedural requirements and clarify enforcement provisions. It can be seen with certainty that there is no possibility that the amendments to the Fireworks Ordinance will have a significant effect on the environment because the Ordinance will maintain current levels of development and regulations.
