

CLARKSBURG FIRE PROTECTION DISTRICT

Benefit Assessment Ballot Proceeding — Proposed Fire Protection and Related Emergency Response Services Assessment for the Clarksburg Fire Protection District

- REPLACEMENT BALLOT -

QUESTION 1 : Shall the Clarksburg Fire Protection District repeal the existing fire suppression assessment levy on properties within its jurisdiction, and replace the existing levy with a new assessment setting the base rate at Ninety-eight Dollars and Twenty-seven cents (\$98.27) per Single-Family Assessment Unit, with proportional rates applied to other property types as outlined in the Assessment Roll and Engineering Report? This measure would also authorize the Clarksburg Fire Protection District Board of Directors (Fire Commissioners) to increase the maximum Assessment Unit Rate by up to Five percent (5%) each year, not to exceed a total increase of Fifteen percent (15%) each five years.

Yes

No
